Welcome Vicar Hall

Vicar Hall was installed as our Vicar on Sunday, August 2, 2026. Please keep him and his family in your prayers as he begins his Vicarage year at Faith.

Dear Brothers and Sisters in Christ,

I thank our God for the wonderful generosity that you have shown me and my family as we arrived in Green Bay. Rachel, Zechariah, Simeon and I arrived to a new city and a new house to a warm welcome and many hands to help us set up and organize the house, along with a counter full of food! Having the food from the pantry drive was a great blessing and took the stress out of the first several days of the transition so we didn't have to worry about getting to the grocery store right away. My main job as a vicar is to learn, and you are already teaching me the virtue of the 7th commandment: generosity!

I pray that I can be at least half the blessing to you in my service here at Faith as you all are to me and my family.
In Christ's Name,
Vicar Hall

Dear Brothers and Sisters at Faith,

This fall we are going to attempt something dangerous. Something fraught with all kinds of challenges and potential for missteps and misunderstandings. We are going to spend four weeks focused on living as faithful stewards while we are also dealing with several large financial questions and challenges in our congregation. This is dangerous work because too often stewardship conversations are hijacked and held hostage by the need to “pay the bills.” When teaching about faithful stewardship is held hostage by “paying the bills,” neither is well served. Faithful stewardship can minimize or eliminate the need to worry about paying the bills, but fundraising is never a substitute or replacement for stewardship. Fundraising can only answer an immediate need but never addresses the underlying issues of how to live the Christian life— a life of faithful stewardship.

To be upfront and honest— this fall you will also hear about financial challenges that we are facing. They pose some questions that are hard to answer but answering them is a necessary act of stewardship. However this is also true, the emphasis on stewardship this fall was planned before those challenges were placed before us. Whether or not we had to answer those questions we were going to spend time talking about faithful stewardship.

So, what are those questions? First is the question of Faith Christian Preschool. For the last several years, our preschool has not had full enrollment. This means it has also ran at a deficit requiring significant financial support from both the Lutheran Schools and our congregation. For several decades, our preschool has been a blessing to our church and community. We must now answer the question of its viability for the future. Much more information about this decision will be coming over the next month in preparation for a special voters’ meeting on September 27.

The second financial challenge is our church budget. As I have indicated in the past couple of newsletters, our weekly giving has not kept pace with our weekly needs. This is the first time in five or six years we have had this problem. This also means that we are likely to end the year having relied on our savings to pay our bills and, when the 2027 budget is proposed at the, tentatively scheduled, November 1 voters’ meeting, it will be a deficit budget. Because of the faithful stewardship of the church council over the last several years, we have the savings to do this without putting our congregation in financial jeopardy. But our savings are limited and we do need to take our budget seriously as faithful stewards of the resources that have been provided to us.

Finally, with the authority of the voters from the May meeting, the church council will be making a decision regarding the loan on our rental property. The five-year loan is coming due and we will either need to pay it off or apply for a new mortgage. There are pros and cons to both options and they will be weighed carefully.

By now you can see the danger and the pitfalls that lie before us. Teaching and preaching about faithful stewardship is faithful teaching and preaching about the whole counsel of God. However it must be more than a fundraising campaign to deal with church finances. So, this is the challenge before us. Beginning with September 13, when Christian Growth Hour resumes and our schedule returns to 8:00 and 10:30 services, we will spend four weeks learning about being faithful stewards of what God has entrusted to our care. Each week, you will receive a letter introducing the theme for the upcoming Sunday and challenging you to consider your life through a stewardship lens. Ultimately, the goal is to be reminded that all the earth and everything in it belongs to God; but he lets us manage and care for it on his behalf. What a wonderful gift and blessing it is to know that faithful stewardship is remembering this while learning to be as generous as the one who has called us to be his own.

God's blessings to you, faithful steward,
as you grow according to His plan,

Pastor

CHRISTIAN PRESCHOOL

FCP committee needs YOU!

At the May Voters Meeting, there was significant information shared and lengthy discussion concerning the attendance and financial trends of the preschool over the last five years and the outlook going forward. We also discussed the current financial status of the church.

Before making a decision, those attending requested a committee be formed to study potential scenarios for ongoing preschool operations or any alternatives, and supply an analysis by November for a congregational vote. Ideally that analysis would be complete and presented before the November Voters meeting since our 2027 budget proposal is shared in that meeting and could be impacted by the preschool question.

If any member would like to chair or serve on this committee or wants more information, please contact Alex Wright, Director of Christian Education, or Rod Goldhahn, Council President.

ORPHAN GRAIN TRAIN SCHOOL SUPPLIES DRIVE

In some countries, school children share a single piece of paper and a single pencil that is passed from one to another. School kits and supplies from Orphan Grain Train are sent to places such as USA Disaster Areas, as well as countries around the world (see www.ogt.org). Faith Lutheran LWML will again be collecting school supplies with the goal of filling 96 OGT school kits.

A graphic for the Orphan Grain Train School Kits drive. It features a list of items needed to fill a school kit, surrounded by illustrations of school supplies like notebooks, pencils, erasers, and a box of crayons. The text is written in a playful, hand-drawn style. The list of items is: 10 Sheets (Construction Paper), Single Pocket Folder, 2 Spiral Notebooks (70 pg. wide or college ruled), 1 box colored pencils (12 count), 1 box crayons (24 count), 1 ruler, 2 pens (blue or black), 2 pencils, 1 eraser (large pink), 1 pencil sharpener, 2 glue sticks, and 1 scissors. Below the list, it says 'Please not include items with religious, camouflage, patriotic or military symbols'. At the bottom, it says 'PLEASE HAVE ITEMS IN BY AUGUST 25' and 'Backpacks will be provided through a Thrivent Action Team grant'. The LWML logo is also present.

MENASHA

ALUMNI

LET'S HELP TRINITY MENASHA

The Alumni of Trinity Lutheran Church and School of Menasha are asking sister congregations and schools in supporting the students and families affected by the tornado on July 27, 2026. Trinity is three blocks away from the major destruction and 18 of their students were in the path of the Tornado that went through Menasha. Let us help them out as they prepare for school to begin at the end of August. Items can be ordered through this online registry and will automatically ship to Trinity, Menasha. Please scan the QR code to access the registry.

Please contribute by August 24

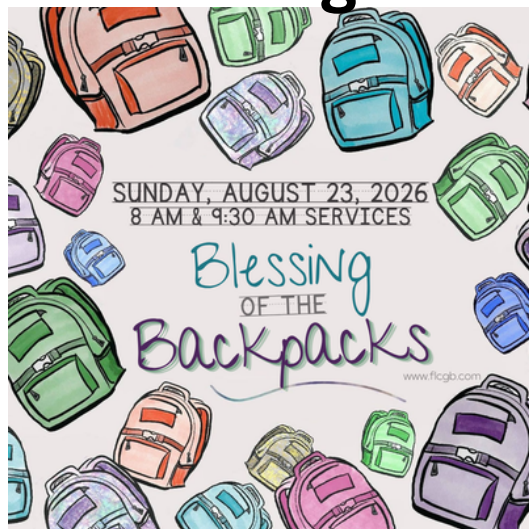

What a great thing that the recent LCMS convention recognized and encouraged LCMS-U and other young adult ministries in our synod. Faith Lutheran continues its outreach to our local universities and invites students to attend Divine Service and other activities with us. I learned more about campus ministry when I attended the national LCMS-U conference in June. Congregations throughout the US are stepping up to offer college students a church home away from home. We are thankful to be a part of such a group!

Please pray for this important outreach to university students. And please pray for the students! Include in your prayers both students visiting our congregation as well as young people from our Faith family who are away at universities. All these young people encounter ideas and people that challenge their faith and we want them to be strong and courageous and firm in their faith in Jesus Christ.

Thank you, Faith Lutheran, for the opportunity to serve the Lord in this capacity!

Blessing of the Backpacks

Blessing of the Backpacks is Sunday, August 23rd at the 8 & 9:30 services. We will pray for a happy, successful, & healthy school year. Each blessed backpack will receive a special key chain as a memento!

*2nd graders will also be receiving their Faith Alive Student Bible. The Bible is used during Sunday School and Catechism Class here at Faith Lutheran Church.

The first rehearsal for Handbells will be on Tuesday, September 8th.
We meet on Tuesdays at 5:45 pm in the left transept of the sanctuary.

If you are interested in playing handbells, please contact the director Paul Heiser at the church in advance so that we can make sure each player is assigned bells that offer the most appropriate challenge. An extensive musical background is not required – only the ability to count to 3 and 4, and a patient and cheerful attitude.

The first rehearsal for Adult Choir will be on Tuesday, September 8th.
Adult Choir meets on Tuesdays at 6:45 pm in the church balcony.

Our congregation is blessed to have many enthusiastic voices singing in the pews. Have you ever thought about using those gifts to take a larger role in leading the worship of the church? Singing in the choir is an especially rewarding way to encourage your brothers and sisters in the faith and enrich your own worship experience. Extensive musical background is not a requirement as we all grow as musicians when we rehearse together. New members are always welcome even if you can only participate for part of the church year or need to work around weekends away. If you have any questions please feel free to contact the director, Paul Heiser, at the church.

Do you play another instrument? You might be surprised how easy it can be to add in other instruments to music in the service. While we are blessed to have a nice pipe organ and two grand pianos, other instruments bring a variety of sound to worship that adds to the beauty. Again, just contact Paul Heiser at the church to explore the possibilities.

The Altar Guild prepares for and cleans up after the church services. This is a flexible and behind-the-scenes way to serve our Lord and church. If you have any questions or would like to be a part of the Altar Guild, please contact Marilyn Toninato at (920)562-3827.

We will be having an Altar Guild Meeting on Monday, September 28 after the 6:30 pm service

A graphic for an Altar Guild Meeting. It features a green banner with a white cross and candles. The text 'ALTAR GUILD MEETING' is in large, bold, white letters. Below it, 'MON. 9/28' is in white, followed by 'after 6:30 pm' and 'Service' in smaller white text.

Sharing the gospel message from God's word is essential to the life of a Christian. But many of us might be intimidated by this task. We see others who share their faith by knocking on doors, standing on street corners with signs, or debating people on the street to make a Youtube video. Is this how we are supposed to witness and share our faith? We know the truth - that we have been buried with Christ and raised with Him in our baptism. This truth should change how we share our faith because Lutherans Witness Differently.

FAITHFUL STEWARDSHIP

It is taking what God has given to us and giving it to others with the same generosity and joy that he has shown us. To be a faithful steward is to be a loyal and steadfast caretaker of what God has given to you. It is recognizing his gifts

and seeking to be an excellent manager of what he has entrusted to your care. Like anything we encounter in this world, sin makes this work difficult, and yet we should strive to do it well.
