Is it the TRUTH?

Is it FAIR to all concerned?

Will it build
GOODWILL and
BETTER
FRIENDSHIPS?

Will it be
BENEFICIAL to
all concerned?

Alyssa Hastings

Pharmacist in Charge
Lake View Clinic Pharmacy

Rotarian Since: 11-10-2014

Past President: 2017-2018

Birthday: March 31

I am the Pharmacist in charge at Lake View Clinic Pharmacy, which means I am responsible for the day to day operations of the pharmacy. My typical day consists of a multitude of tasks: entering and filling prescriptions for my **WONDERFUL** customers; immunization administration; inventory control; third party payment reconciliation; staffing...I pretty much do it all.

I love working and playing in Two Harbors and surrounding areas, and I know the area well. I grew up in the Clover Valley/Clifton area and went to North Shore Elementary and then Two Harbors High School. My senior year of high school I started dating a really great guy named Adam, and 20 years later we have two children, Anders (11) and Addison (8). We love enjoying our great outdoors together as a family, and are often found hiking, biking, camping, fishing, and hunting together. We also have a small hobby farm with 12 spoiled chickens.

I really enjoy being a Rotarian. I enjoy being a part of service club, and I am incredibly grateful for the awesome friends I have made just by being part of the club. My favorite rotary memory has to be winning gold at this past years Lake Superior Dragon Boat festival! It is amazing what we can accomplish as a team!

We all know the Netherlands aka Holland is small but it has some good habits like tolerance for others. Another habit is "buurten". You go "buurten" when you knock unannounced on your "buur's " or neighbor's front door. Just to ask how things are going, to bring a book, to ask for sugar, butter or for no reason at all. Just because.

Now your neighbor can ask if you would like a cup of coffee or a drink, no need to do so, but he or she could.

The whole thing is casual and may last 5 or 10 minutes or a little longer. The hard part for us Americans is If you are mowing the grass or doing any other chore and your buur swings by, to just stop and be grateful for the little break, it surely will not spoil your day. Buurten It is one of those little things that makes a neighborhood a happy place.

Thank you, and try this buurten. Most people will like it.

The latest excitement at Topside.

He came ambling up to our house and climbed up a support pole for the deck to take the bird feeder down.

I guess we do live out in the woods :-)

We need your unique service projects and/or fundraising ideas! COVID is throwing us for a loop. We need your input on new service projects or fundraisers that are possible during this COVID pandemic. We would love to hear from you!
