DECEMBER SERVICE PROJECT

Light Up the Park

December 5th 5:30p-7:00p

Please contact Carrie Coan to sign up. We need the following help:

Site Prep: 5:00pm 2-4 people Wednesday night (tent set up and light wrapping) and/or 3pm-5pm Thursday afternoon if weather doesn't cooperate with Wednesday. Hay bale pick up is also needed. We'll have about 9 hay bales to pick up and bring to the park, that can be done just about anytime that week.

Event Volunteers: 5:30p-7:00p As many people as we can get. We need people to help serve chili and hot dogs, monitor red kettle, bonfires and s'mores, and help with anything that might arise.

Tear Down: As many people as we can get. About 15-30 minutes depending on how many people can help out 6:45ish-7:15ish We'll probably head over the Backwoods afterwards
