THURSDAY, JUNE 25  
5:30PM-6:30PM

Thank you to collaborators:

- Lake County
- Lake View Hospital
- The Lake Bank
- North Shore Area Partners

## Rotary Garden in its 21st year!

Rotary has sponsored Hole 8 at Lakeview National Golf Course since 1998. We made the garden in 1999 and have planted it every year since! Thanks for Marty Byrnes, Gene Cotton and Lyle Northey for starting this project 21 years ago. Barbara Mecklin and Trish Northey designed the perennials and Trish has been taking care of it year after year.

# JULY NOON MEETING INFO

## July 7th 12pm Meeting Reminder

## **Christine Dearing**

Pharmacist  
Lake View Hospital

*Rotarian Since: 3-29-19*

*Birthday: August 29*

Hello Rotarians. I have been a hospital pharmacist for 20 years (yikes!) and have worked for St. Luke's for the last 17. I have been in my current position at Lake View Hospital as the pharmacist in charge for about seven years. Lake View is the best place I have ever worked, I love my coworkers, our patients, and the Two Harbors community. As the hospital pharmacist, I enjoy the diverse working environment and the team work of a small rural hospital. Having students from the University of Minnesota Duluth School of Pharmacy completing rotations at the hospital is awesome. I love being a mentor and teacher of my profession. I am also proud to serve on the leadership team at Lake View.

I currently live in Duluth with my two teenage children, Helen and Owen. We also have a cat and a large dog. As a family, we take a yearly trip to a National Park and enjoy hiking and kayaking. I am a hospice volunteer for St. Luke's and an avid reader. Sometimes I combine those and read to my hospice patients. I grew up on the Iron Range, joined the United States Air Force at 17, and worked as an aircraft functional test electrician at The Boeing Company for a few years before obtaining my undergraduate degree at Western Washington University and then my Doctor of Pharmacy degree from the University of Washington. I became a pharmacist because I wanted a job where I could stay clean, warm and dry as opposed to the wet, cold and dirty working conditions on the flight-line. Most importantly I wanted to help people. Helping people and service above self is what attracts me to Rotary. I look forward to participating in the community service projects and getting to know people in the Two Harbors community better.
