EDUCATION

Lynn University - Boca Raton, FL
Bachelor of Arts - Class of 2024
Major in Film Production
GPA – 3.4

SUMMARY

Film Production student with hands-on experience in both pre-production and post-production for short films, music videos, commercials, and long-form content. Proficient in color grading, lighting, audio engineering, and photography. I am eager to leverage my expertise in visual storytelling and video editing within a dynamic and creative organization.

EXPERIENCE

Video Editor Intern | Kiss the planner- Palm Beach Destination Wedding & Events | June 2024 – September 2024

- Edited wedding and promotional videos for luxury destination weddings and events.
- Applied advanced color correction and audio synching to create high quality visual content.
- Delivered final cuts aligned with the brand's vision within tight deadlines.
- Gained experience in editing romantic, cinematic, and event-driven footage, producing visually captivating video content.

Film Production Student | Lynn University | 2020 – 2024 | Boca Raton, FL

Advanced Video Editing:

- Learned advanced editorial techniques with digital video, audio, and graphics, focusing on visual storytelling, broadcast standards, and delivery formats.
- Executed professional techniques in video editing using Premiere Pro and iMovie.
- Gained working knowledge of montage-style cutting used in music videos and commercials.
- Successfully completed projects focused on narrative film styling, documentary, and news editing.

Directing and Film Production

- Acquired hands-on experience in executing a film, including screenplay writing, hiring actors, set and prop design, and securing location permits. This led to receiving the "Best Editing" award at Lynn University's Film Showcase event.

Audio Production:

- Acquired knowledge of sound production for various media (radio, television, digital media, and motion pictures) and exposure to Adobe Audition for audio recording and editing.

Media Production

- Gained experience in planning, production, and distribution of online and print news media, social media posts, and related advertising content.
- Worked in the recording studio creating and producing podcasts for Lynn iPulse podcast.

Cinematography

- Learned pre-visualization, videography techniques, image composition, camera movement, editing, sound, lighting, and on-air performance, with hands-on experience using production equipment like Blackmagic cameras and lighting setups.

Swim Instructor | Saf-T-Swim | Jan 2020 – April 2020 | Commack, NY

- Responsible for instructing and providing a development plan on a weekly basis.
- Developed a healthy and energetic environment using while effectively communicated students' progress to parents.

Cashier | Don Jono's Pizzeria | April 2018 – December 2019 | Smithtown, NY

- Provided excellent customer service and performed all transactions at the register including taking an order, giving the customer a total, handling cash and counting back change correctly.
