**MMI/NDI Reunion Dallas, Texas
October 25-27**

Hi All!

Plans are evolving for our Dallas, Texas reunion from October 25-27! We need to get a headcount of how many plan to attend for planning purposes. I've created a website to provide your info if you plan to attend. Just fill out the RSVP form on the website. Link is below.

This email distribution list spans classes from 1980-1986 with a heavy emphasis on 1984 since we are planning the reunion. If you have already responded, you should already be included in this email. Please spread the word to others that may be interested in attending to RSVP to receive reunion updates. All classes are welcome and we encourage everyone to come!
