

Sent Friday, April 26, 2024

Hi Everyone!

The primary hotel for the reunion is the Omni Dallas. We have 50 rooms blocked at \$219 before tax (either 2 queens or 1 king) for the period of October 25-27. The hotel is working on a specific web link but that option is not yet available. You can still register using a group code on the Omni website. I created a page on the website with the hotel booking information and instructions on how to book using the group rate.

Reminder to all that the early bird registration fee ends on 4/30. After 4/30, the registration fee will increase by \$10 per person. A big thank you to all those that have already paid the registration fees and additional sponsorships!

We are working on finalizing the itinerary details and costs. That information will be posted as details are finalized.

Please forward this email to anyone that might be interested in coming to the reunion. All classes are welcome!
