A Message from Ginger

Dear Administrative Board, Friends, Patrons, and Beloved Staff,

As I prepare to turn the page on a very meaningful chapter of my life, I want to take a moment to express my deepest gratitude to each and every one of you. After 18 wonderful years—beginning in the children’s department and culminating in my role as director—I am filled with appreciation, joy, and reflection.

From story times and puppet shows to program planning and community partnerships, every step of this journey has been guided by your support, trust, and kindness. I have been incredibly fortunate to work alongside a team of passionate, creative, and dedicated staff members who have inspired me daily with their commitment to serving our community.

To our amazing patrons—thank you. Whether you joined us for a children’s event, checked out your favorite books, volunteered your time, or simply shared a kind word at the desk, your presence and encouragement have meant the world to me. You are the heart of this library, and your continued engagement is what makes this place so special.

To my colleagues and staff—thank you for your unwavering support, laughter, and hard work. It has been a true honor to lead with you, learn from you, and dream with you.

Though I may be stepping away from my role, I will always carry the spirit of this library with me. I leave with a heart full of memories and gratitude for the experiences we’ve shared and the community we’ve built together.

With all my appreciation,

With Gratitude: Thank You for 18 Incredible Years!

Please join me in welcoming Angelia Mueller new Interim Director to our library team! Angelia holds a Master’s degree in Library Media Specialist from Arkansas Tech University and brings with her a passion for libraries and community service. A long-time resident of Harrison, Angelia has deep roots in our town and has no plans of leaving anytime soon—something we are thrilled to hear!

She’s no stranger to our library, having volunteered at several events over the years. Her dedication and love for libraries made her a natural fit for our team. We’re excited to see the energy and ideas she will bring to her new role.

Be sure to pop into her office and give her a warm welcome!
