

EDUCATIONAL

PUBLIC & PRIVATE PRE-K/DAY CARE, K-12, TRADE SCHOOLS & COLLEGE

Your students, staff & administration deserve to be in a safe & secure environment.

- Recent threats from active assailants & those that seek to exploit youth are on the rise.
- Bullying & violence both physical & cyber are at an all-time high.
- Current events like COVID-19 are causing unprecedented disruptions in the education process.
- The new normal is forcing administration to utilize new health & wellness practices.

SPPS understands the difficulties & challenges involved in the arena of education. Utilizing our security services will ensure that your students, staff, administration, facilities & data are kept safe, so you can focus on cultivating a vibrant environment for students to learn & excel.

How will we provide a safe & secure environment?

Your focus is on educating & cultivating young minds, our focus is security. There is no need for you to learn all aspects of physical security including:

- De-escalation techniques
- Fire & medical emergency management
- Physical restraint & handcuffing techniques**
- Less lethal/secondary weapons usage**
- Use of force continuum matrix
- Regular firearms training & understanding applicable laws
- Observing body language & other cues that relate to criminal activity or violence
- Understanding the laws to protect & limit the liability of your business or entity
- Understanding the only circumstances that would necessitate the use of deadly force & the consequences of such an action**

** Use of physical contact, increasing force-on-force, secondary weapons, handcuffs, & deadly force are only allowed when applicable & necessary as a last option.

Our officers are experienced, trained & retrained regularly. They are put through mock scenarios to better prepare them for any situation. They are licensed, & we are bonded & insured. They are certified* in secondary weapons including: CEW (Tasers), Baton (ASP), Airborne Chemical Agents (OC/Pepper Spray), etc., as well as handcuffing/restraints & weapons retention. They are *American Heart Association* CPR/AED/First Aid Certified* as well as *Stop the Bleed* Trauma/Blood Control Certified*.

Most of our Officers are either former law enforcement, military & or have advanced firearm training as well as martial arts training. They are *MOAB* certified* in de-escalation techniques as well as *ALICE* Active Shooter Response Certified*.

Our company is owner-managed with the principals having direct involvement in each contract, site, officer development etc. We use state of the art technology to manage our officers & your account, as well as to protect & monitor your site.

Let us focus on securing your students, staff, facilities, & data, while you focus on your students. Your involvement in security can go from time-intensive, to a simple service/utility bill on autopay.

** Officers are certified or going through the certification process*
