

UTAH HUNTER JUMPER ASSOCIATION

OUR GUIDING PRINCIPLES

Leadership

The Utah Hunter Jumper Association (UHJA) provides leadership for the equestrian sport in Utah, promotes the pursuit of excellence from grass roots to UHJA-rated competitions, based on a foundation of fair, safe competition and supports the welfare of its human and equine athletes as the premier equestrian association in the state.

Continued Growth

Through the annual endorsement and management of hunter/jumper competitions and by offering them to our members and non-members alike, the UHJA strives to encourage the continued growth of its membership base extending association benefits and offerings to both members and non-members alike.

Support & Advocacy

The UHJA board will support, whenever possible, the planning of shows, course designs, selection of judges and stewards, and related activities, and will continue to strongly support the individual Utah-based show managers whose loyal support perpetuates the association's longevity and success.

The UHJA is dedicated to promoting excellence in horsemanship, riding, training and competition throughout Utah.

SPONSORSHIP

Sponsorship is **critical** for growing and maintaining hunter jumper sport in the state of Utah and across the Mountain West. Sponsors enable the UHJA to host high quality competitions and events throughout the year. The UHJA relies on sponsor support to provide a safe, welcoming, and positive environment for developing and seasoned riders, horses, and their teams. With various tiers, there is a sponsorship opportunity for everyone.

SPONSORSHIP BENEFITS

Visibility, recognition, and tax benefits for supporting a local 501(c)(3) organization
