Welcome to Balaji Metal Industries

Balaji Metal Industries, established in 2009, is an ISO 9001:2008 certified Manufacturer and Supplier of SS Railings, Stainless Steel Hand Rail and Stainless Steel Railings in India. We are also a promising Stainless Steel Fabrication Service Provider in India. Based in Bangalore, a major economic hub of India, we have swiftly made a prominent name for ourselves, by providing the clients with nothing but the best. We work under the dynamic leadership of **Mr. D. C. Bishnoi**, our Proprietor, who has always been our major driving force.

Infrastructure :

We have a sound infrastructure which includes a manufacturing unit that is outfitted with high-end machinery and latest testing equipment. This unit is managed by our competent team, helping us to successfully deliver even the bulk and urgent requirements of the clients on time. At our production unit, we also have advanced testing facilities, PMT test being one of them.

Why Us?

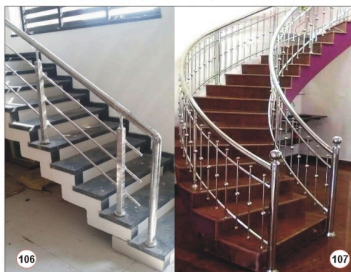

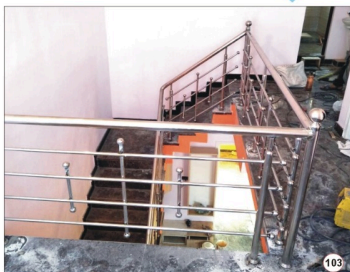

We competently outshine our counterparts and are being sought after by the clients because of several reasons. Some of them are :

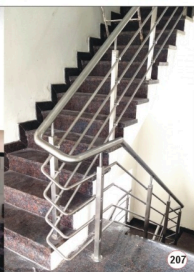

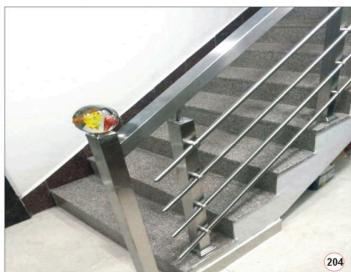

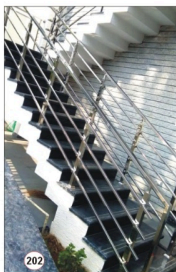

- **Domain expertise**
- **State-of-the-art infrastructure**
- **Proficient and diligent team**
- **Technological competence**
- **Client-oriented values**
- **Time-bound approach**

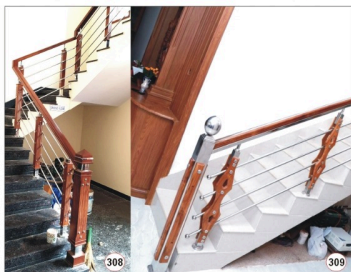

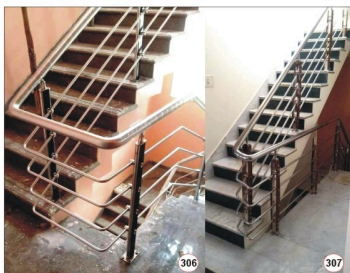

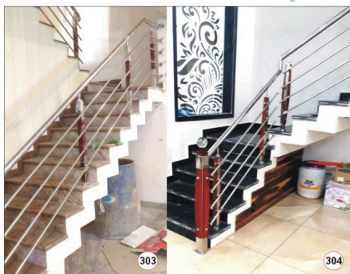

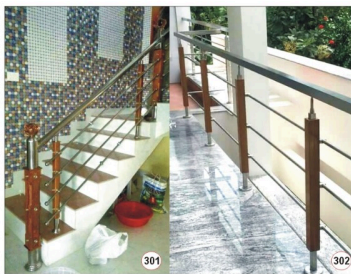

Our Team :

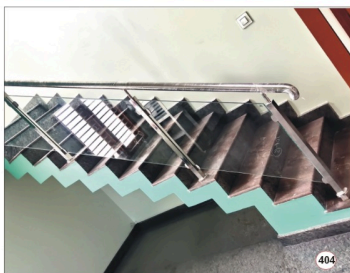

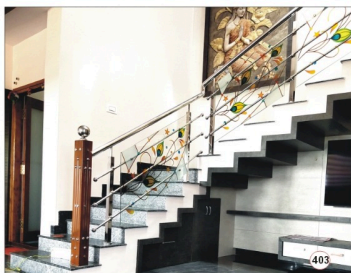

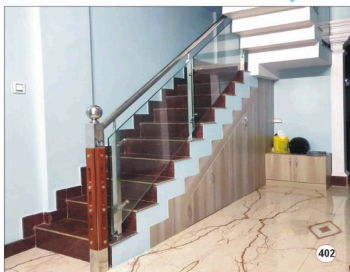

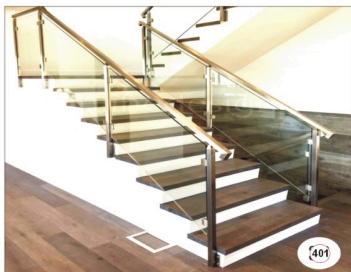

We are backed with a team that can go extra mile each and every time when it comes to clients' satisfaction. Our team comprises of engineers, technocrats, quality controllers and other staff members. Each and every team member is committed to excellence, and we are, thereby, able to provide the best products and services to the clients.
