

April 2019 Newsletter

.....

Spring is in the air . . . We have been receiving some nice rain and snow this spring and our wheat crop is loving it. I love spring because the days are getting longer, temperatures are getting warmer, things are greening up, and the birds fill my mornings with their beautiful songs.

Happy Easter!

With Easter in our sights, we thought it would be fun to introduce a new mix this month that even the Easter Bunny would love. Our new mix is Whole Wheat Carrot Cake Muffins! Cindy made these for her family and they were a huge hit. Enjoy them plain or top them with orange cream cheese frosting for a little added sweetness. They make a great breakfast or snack or would also be a yummy addition to your Easter brunch.

They are \$6.95 a package. Be sure to order so you can add a package to an Easter basket!

Clear Skies Milling Beer Bread is here to stay!

The Clear Skies Milling Whole Wheat Beer Bread we introduced in March will become part of our product line! If you didn't try it yet, you still have a chance to try it.

We loved the simplicity of the recipe and how versatile it is. Add herbs to compliment a hearty meal or cinnamon for a sweeter bread. (Mix-in ideas are right on the package!) Be sure to get a package soon, we are sure you will love it! Cost: \$5.95 per package.
