IGNITE DISCIPLESHIP SCHOOL

IGNITE Discipleship School exists to equip believers of all ages, cultural background and maturity to live an effective christian life.

Here are some of the areas that we will be focussing on in all of our students:

1. Intimacy with God, prayer and worship
2. Family life
3. Biblical knowledge
4. Ministry preparation
5. Activation and impartation of the gifts of the Spirit
6. Revival and church History

Interpreting the Bible

After taking this introductory course on "Interpreting the Bible" you will be able to confidently articulate and defend the biblical fundamentals of your faith in Christ. You will be able to understand the history, culture, background, context, and language of the Bible so that you can effectively accelerate your christian growth and purpose in the Lord through having the foundation to become a mature student and authority on the word of God.

03

We have realized how difficult it is to access profound Christian teachings that satisfy the student that is hungry for in depth exposure to "strong meat", but doesn't have the means or time to attend a theological seminary. There exists a huge gap between the regular church member, and the full time bible student. Our goal is to aggressively bridge that gap, by providing substantial biblical, personal and ministerial training, that can be acquired by anyone who is willing and ready to begin this journey of growth. This journey can be done at your pace.

Why become a student?

MORE THAN JUST KNOWLEDGE

Our Training is focussed on developing new believers, children, missionaries, pastors, leaders, youths, worshippers, musicians, elders -Jjust about anyone who desires to be equipped to grow in the Lord.
