The PerCo Café was open and we sold tickets to win the gifts and donations we got from people and businesses in Perry County. We also had a 50/50 Raffle.

Trophies were given for:

We had Steve 'O' the DJ playing music and doing announcements. He and his wife Belinda donated services at all of the Cruise-Ins. All of the proceeds from this event will go toward helping to fund our Recreation Department.

DSP APPRECIATION WEEK

The week of 9/9/19 thru 9/13/19 PerCo, Inc. celebrated our Direct Support Professional Staff for all the great work they do. The Director, Jay Barnhart and the Operations Manager, Darla Channel surprised them each day with something new. They had donuts, pizza, ice cream sundaes, new T-shirts and ended the week with chicken dinners from Dodson's. Our DSP's work directly with the individuals who work here in Production and in Recycling. They each have mandatory trainings that they attend on a regular basis to keep up with certifications in CPR and other things that will help them in their service with the individuals. They are amazing at their jobs!

FALL FESTIVAL

The PerCo Woodshop made crafts to sell at the Fall Festival on Main Street in New Lexington. We also had jewelry and cookies for sale.

We still have several items that are available for purchase. The prices are great, so if you are interested in a particular piece or in looking at what we have, please call us at 740-342-5156. Following are pictures of some of the items and you can view them on our Facebook page under PerCo, Inc.
