

Beeton Golf & Country Club Inclement Weather Policy

This facility does not possess an inclement weather warning or detection system. Golfers are advised that they play at their own risk and Beeton Golf & Country Club is under no obligation to warn, retrieve, and/or remove anyone from the golf course due to inclement weather, including lightning.

Using USGA Rule 6-8a. (ii), golfers may suspend their round at any time upon their own determination of the dangers of lightning and threatening inclement weather.

Golfers may be eligible for a rain check.

This facility is not responsible for injuries, or damage resulting from golfers' decisions and inclement weather of any kind. Please follow the rules and stay safe!
