

DAILY ENTREPRENEURS LIST OF EASY THINGS THAT HAPPENED

*There is NO order of difficulty in miracles for me today!
One is not bigger or smaller than another – all are expressions of love.*

Miracles are EASY...Why do we make this thing hard? It's so EASY.

1. I always get what I really desire every single day. (I hoped I would get it and did get it. It was more than hope. I knew it on some higher level.)
2. I almost always get any job that I applied for.
3. I am only turned down when it's not perfect for all.
4. The LAMA CAME to me in one day of thinking: Don't make people wrong. It doesn't work. People hate that. People want to be right. Make them right every time you can.
5. I sold the first two houses that I ever knocked the door on, and then people told me that I was "lucky," so I believed them. Then, I didn't sell anything for months. After I learned that was a lie...I sold a house every week. (Catherine Ponder) I wasn't "lucky" I was Intentional.
6. I sang in a Navy Show with one audition...Unsinkable Molly Brown.
7. I found Jimmy 4 days after I wrote down the 52 things that I wanted.
8. I passed the R.E. Exam the first time. I did my homework and I believed.
9. I found every house through miracles and the law of attraction.
 - a. Katherine Avenue
 - b. Lake Forest
 - c. Country Club in Oklahoma
 - d. Country Club in Escondido (two of them) on the same street.
 - e. Condo in one click to ZILLOW
10. I found new Friends and Church in the San Fernando Valley, my old hometown.
11. A new business model, Train the Trainers, Coaches, Consultants, and Entrepreneurs.

Make your list: don't forget all of the things that came so easy for you and you forgot how easy they were. Everything is EASY...EASY PEASEY – REALLY!
