To ensure a smooth arrival, please note the following:

- **QR Code Delivery:** Your personalized QR code for check-in will be sent to you in an email from "FacilityOS." Please keep an eye out for this email prior to your arrival.
 - Because the email contains an image of the QR code, you may have to select "*show blocked content*" to see the code.
- **Check-in Process:** Upon reaching our reception kiosk, please scan the QR code you receive from FacilityOS. This will automatically register your arrival.
- **Entry:** Following your successful check-in, our dedicated Mission Specialist will permit your entry through the turnstiles, granting you immediate access.
