

6TH ANNUAL MEMORIAL WALK FOR KELI

Donate. Walk. Remember.

Join us on Saturday, March 4th at 8am in Discovery District Park (Ramada B) for a 2-mile walk in memory of Keli Ariana-Renee Rutledge

Keli was killed on March 4th, 2016 by an impaired driver and the purpose of the walk is to take back the tragedy of the day and reflect on how she lived. The Keli May Foundation was created to honor her aspiration to help those aging out of the foster care system and this community event is a great way to support her vision.

We will be packing 'blessing bags' filled with hygiene items for those in need at the start of the event and then begin the walk together!

We packed over 100 blessing bags last year!

SPONSOR A BLESSING BAG!

If you would like to sponsor a bag to help us fund the purchase of the hygiene items, please visit our website to donate.

KMF t-shirts will be available for purchase during the event.

For more information about the event and donating, visit www.KeliMayFoundation.org
