

# Provider Disclosure

## Regal Wellness

**Effective Date:** 01/01/2025

Regal Wellness is committed to providing high-quality intravenous (IV) hydration and wellness services to our patients. The following disclosure is provided in compliance with Arizona state laws and regulations governing healthcare services and patient rights. Please review this information carefully.

## Business and Provider Information

**Business Name:** Regal Wellness

**Business Address:** 18220 N. 88th Ave Peoria, AZ 85382

**Business Phone:** 602-818-1264

**Website:** [www.regalwellness.com](http://www.regalwellness.com)

**Owner/Operator:** Lexi King

## Provider Qualifications

All medical services provided by Regal Wellness are administered or overseen by licensed healthcare providers, in compliance with Arizona state regulations. These include:

**Supervising Medical Director:** Satinder Dhillon-Dougher,  
APRN 248227

**Role:** Oversight of clinical services, protocols, and patient safety.

**Licensed Practitioners:**

All IV infusions and injections are administered by  
Registered Nurses (RNs), Nurse Practitioners (NPs),  
Paramedics, or other licensed professionals.

Each provider holds an active Arizona license and is trained  
in IV therapy and emergency response.

## Scope of Services

Regal Wellness specializes in IV hydration, vitamin infusions, and related therapies aimed at promoting wellness. These services are elective and not intended to diagnose, treat, cure, or prevent any disease. Patients are encouraged to consult with their primary healthcare provider for medical conditions.

## Risks and Limitations

While IV therapy is generally safe, potential risks include but are not limited to:

- Infection at the injection site

- Bruising, swelling, or irritation

- Allergic reactions to administered substances

Circulatory overload

Patients are required to review and sign an Informed Consent Form before receiving any services.

## Patient Rights

As a patient of Regal Wellness, you have the right to:

Be treated with respect, dignity, and confidentiality.

Receive accurate and complete information about your treatment.

Refuse or discontinue treatment at any time.

Access your medical records as permitted by law.

## Emergency Protocols

Regal Wellness is not an emergency medical service. In the event of a medical emergency, patients should contact 911 immediately. Our staff is trained to recognize emergencies and will provide initial support while emergency services are en route.

## Contact Information for Complaints or Concerns

If you have concerns about your care, please [contact us directly](#).

Complaints may also be directed to:

**Arizona State Board of Nursing:**

Address: 1740 W Adams St, Phoenix, AZ 85007
