**GOOD
JOB!**

Dear Dojo Members and Families,

As we look ahead to an exciting year of training in 2026, we would like to take a moment to thank you for being an important part of our dojo community. Your commitment, hard work, and support are what make our dojo such a special place to train and grow.

To continue offering high-quality instruction and strong programs, we will be implementing a membership price adjustment beginning February 1, 2026. Each family will receive an invoice prior to this date with the updated pricing. After a member has been enrolled for six months, future price increases will then apply.

We appreciate your understanding as these changes help us remain competitive while still offering the lowest membership prices in the area. Our dojo proudly provides authentic Shotokan Karate and maintains its affiliation with SKIF, setting us apart in the region and ensuring exceptional value in your karate training.

We are also very encouraged by the positive feedback we've received regarding the recent program updates, including improvements to our ranking system. The introduction of our Junior Shotokan program (ages 7-12) has been especially meaningful, helping students better recognize their progress and stay motivated throughout their karate journey.

Thank you for your continued trust and dedication. We are excited for what 2026 will bring and look forward to supporting every member as they continue to train, grow, and achieve their goals. OSS!

**HAPPY
NEW YEAR!**

*To all the parents:
thank you for
your support
and for helping
your children
stay committed to
their training.
Your trust and
consistency make
a big difference.
Let's make the
new year their
best one yet!
OSS!*
