ICorr Coating Inspection Programs August Promotion

ICorr Coating Inspection programs are recognised throughout Australia and internationally, providing industry professionals with a respected qualification pathway within the protective coatings industry.

Delivered by JMK Training, in partnership with Corrodere Academy - a leading global provider of protective coatings training, these programs are aligned with internationally accepted coating inspection practices and industry standards.

Designed to meet growing industry demand, ICorr qualifications equip participants with the knowledge and practical competency to inspect, assess and manage protective coating systems across a broad range of industrial sectors.

JMK Training is pleased to offer a special discount of 10% off across all levels of our ICorr Coating Inspection Programs throughout the month of August.

Programs and discounted pricing below:

ICORR COATING INSPECTION LEVEL 1 - AUGUST PRICE = \$2,610
