February Newsletter 2020

From Pastor Bryce

Greetings in the name of our Lord Jesus Christ! Thank you for the privilege of serving as your pastor!

I hope you have enjoyed (and have been challenged!) by our sermon series so far based on the book Growing Young. If you would like to read the entire book, please see Stacy Steward to obtain a copy.

This sermon series will continue in February with the added component of discussion groups meeting at various times and places as noted below:

Sundays after The Word @10:30 am; Room 108 (child-care provided)

Sundays after The Table @11:00 am; Lounge (child-care provided)

Wednesdays @10:00 am; Lounge

Tuesdays after Community Meal @ 6:30 pm; Lounge (child-care provided) Why should you care about *Growing Young?* Because across the United States, churches are los-

ing both members and vitality as increasing numbers of young people disengage. The age demographic of 15 to 30-year olds is missing in most churches. Let's do something about that! Based on groundbreaking research with over 250 of the naleading congregations, Young provides strategies any church can use to involve and retain teenagers and young adults. It profiles innovative churches that are engaging 15 to 30-year olds and as a result are growing-spiritually, emotionally, missionally, and numerically. Growing Young shows pastors, ministry leaders, and congregants how to position their churches to engage younger generations in a way that breathes vitality, life, and energy into the whole church.

There are things I particularly appreciate about Growing Young. First, the authors recognize that there is hope for the church today. All is not lost. There are congregations truly engaging and equipping the next generation. Second, young

Ash Wednesday is the first day of Lent, the 40 days that precede Holy Week and Easter. In the Christian Scriptures the number 40 relates to the period spent in the Ark by Noah, the period spent by Israel seeking the Promised Land after the Exodus, and the amount of time Jesus was in the wilderness after his baptism and prior to beginning his ministry. For us, the Season of Lent is an invitation to 40 days of renewal ("Lent" means "spring"), 40 days to prepare ourselves to take in the Good News of Easter through deeper disciplines of prayer, fasting, and almsgiving. Ashes are the traditional sign of sorrow and repentance and are also sign "mortality". Receiving the Imposition of Ashes reminds us that God's love is triumphant over sin and death, and that in Christ, our mortality is overcome.

people should not be an add-on to the church, but the heart of the church. When this is done right, it brings a true vibrancy to the entire congregation. As the authors observe, "The good news is that when we bridge generation gaps, everyone grows young."

Why should you participate in a Growing Young discussion group? Because as good as my sermons are (②), none of this preaching and none of this research matters if it doesn't help our church reach and engage young people well. None of it matters if it doesn't inspire new vitality in our congregation. My dream is that you will use the discussion group opportunity alongside your personal sermon notes and the book Growing Young as tools to help lead our congregation deeper into the implications of the research for our own context. And no one knows our own context better than you! I hope you will engage with the congregation on this important endeavor and participate in worship and a discussion group. We need your input and ideas as we discern together where God is leading us as a church! And, we need your prayers!

Thank you for all you do for Christ and His Kingdom!

Blessings to you and yours,

Chancel Choir

Do you like to sing and raise your voice in songs of praise? Do you like foot-stomping, hand-clapping music? The Chancel Choir has a place for you! We have recently purchased new music...Spirituals and Gospel Music as well as old favorites for 3-part harmony and we need your voice!

We meet Wednesday nights 6:00-7:30 PM and then have a review at 9:00 AM on Sunday morning. Singing is good for the soul. Studies show that it reduces stress and enhances social well-being by being part of a special group. It has physical benefits as well. WOW! And with these spirituals, we may even be inclined to dance!

Come.....join the choir! It's fun and a wonderful way to enhance our worship. For more information see Sheila Huis or contact her at 269-945-9113/huishausproductions@gmail.com.

Prayer Group

There is a prayer group in the works. This has been talked about for a couple of years and it is happening! If you have interest and want to participate please see Matt St. Jacques or Becky Wright. On Sunday mornings we will meet in the prayer room (in the back of the Worship Center) at 9AM and start praying for **you** and the worship service. We welcome you to join us. You don't have to speak out loud if you aren't comfortable. If you need prayer and have concerns, this is also a great opportunity to receive prayer over your concerns.

If you'd like to receive email prayer requests or if you have a prayer need, email Stacy in the office. office.greenstreetumc@gmail.com

Family Promise

Our next Family Promise week will be March 1st through 8th. We will need some help during this opportunity to serve. Please pray about helping the homeless in our community and county.

Leaders of the Community

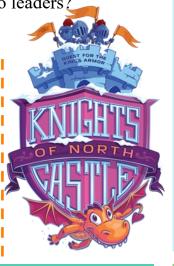

God has a habit of choosing unlikely leaders. This month we'll be learning about some of these unlikely leaders

from the Old Testament - Deborah, David, Josiah, and a servant girl. God can do BIG things with ordinary people. What can God do with YOU in this community? How can God form our children into leaders?

ARMOR UP!

This year's VBS, Knights of North Castle will be June 15-19. Here's how you can help now:

- 1. Pray for this ministry.
- 2. Watch this update each month for items to donate.
- 3. Contact Salina (kidzone.greenstreetumc@gmail.com) if you are interested in being a Station Leader, Group Leader, Decorating Leader, Publicity Leader, or helping in any other way.

Memory Verse

He did what was right in the Lord's eyes.

-2 Kings 22:2

Missions

Our Blue Bucket collection for the fall was the highest we have had yet! We were able to send just over \$400 to the Jerusalem Princess Basma Center.
Thank you!

DEBORAH

Deborah was a leader in her community who helped people with problems and gave glory to God.

DAVID

David was chosen by God to be a king because of his heart, not because of his appearance or status.

THE SERVANT GIRL

The testimony of a young servant girl was able to help her master find healing through the words of Elisha.

JOSIAH

As king, Josiah realized the people were not following God's commandments so he led a spiritual revival.
