Pet Food Pantry

PET FOOD PANTRY STATISTICS FOR 2025

In 2024, we started the nonprofit in January and then we held distributions from February - December. Last year we fed 3,087 animals total. So far this year, in only 3 months, we have fed 1,072 animals! (That's a huge increase over last year.)

Our mission is to keep pets with their families by providing free pet food and free spay and neuter services to veterans, senior citizens, the disabled and those experiencing financial hardship. By keeping pets with their families, we hope to reduce the number of animals in the animal shelters.

Teaching Kids How To Care for Pets

Spayed and Aid of Kentucky received a generous donation of books from Tails that Teach so that we can teach local children about how to care for their new furry friends. Amanda Castile, co-founder, recently read to kids during story time at Logan County Library in Russellville.
