Froggy Friends' Information

The Book Fair is this week. The students who go to special with Mrs. Pavlock will attend on Wednesday and Miss Zenere's group will attend on Thursday. The best method to shop is to use the e-wallet. More information is on the flyer that came home last week.

Please let me know if your child can shop at the "trick" table.

Our 120 Pirate Day celebration is this Friday. I am looking forward to seeing all my Froggy Friends in their pirate attire. We will begin at 8am, so please ensure your child is at school on time.

Decodables came home this weekend. Please take some time and listen to your child read as many as you want. I know you will be as proud of your child as I am. They work hard everyday and look forward to hearing your praise regarding their reading.

We hope you will join us for a family day at Palm Beach Zoo on Sunday, March 17 at 10am. You should have received an email from our room parents regarding our special group rate and method of securing a spot. I hope you will join us!

Dates to Remember

3/5 & 6 Book Fair

3/8 120 Day Celebration

3/8 Online Auction

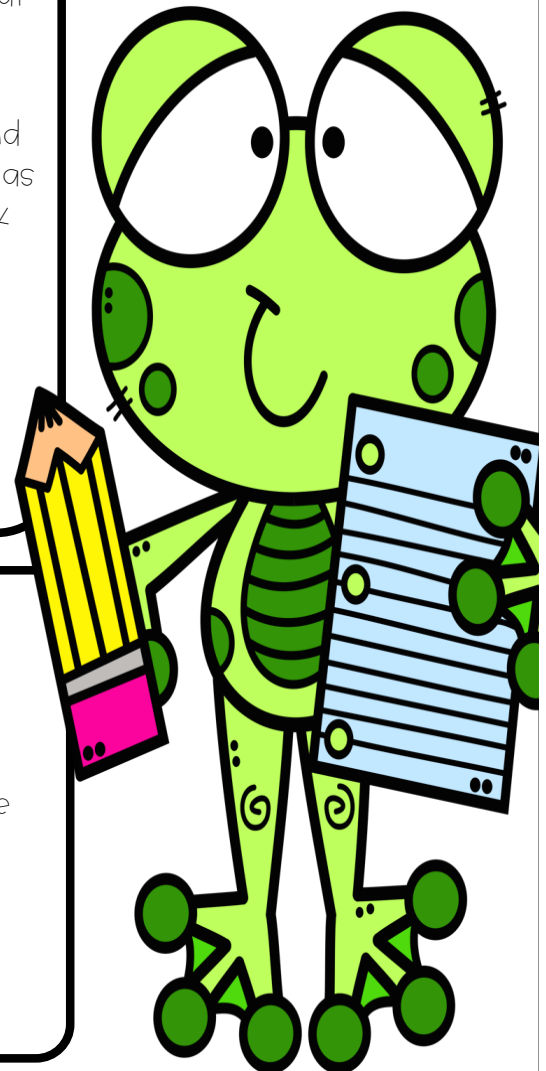

3/17 Multiage Family Day at Palm Beach Zoo

3/21 Early Release Day

3/22 Spring Break Begins

Froggylicious Questions

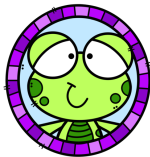

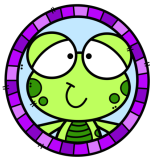

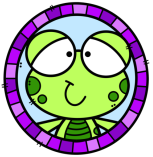

-  Why was the hallway decorated with frogs?
-  What is leap year?
-  How did the two characters in our book, "Tall & Small Play Ball" use teamwork?
-  What are landforms? Can you tell me a few?
-  What is something you noticed a friend do in class that you are proud of?

HHE Spring Auction

The HHE Spring Online Auction will open on Friday. It is always a huge success filled with amazing opportunities to purchase. Did you know that I am offering three items?

- A bunny playdate at the Goldstein/Lennertz household. Come and see how we take care of the bunnies and hop into their play area for a fun playdate.
- Lunch at Tijuana Flats. Join Mr. Lennertz and myself for our favorite meal!
- Come and have breakfast at our household and then walk to school with us.

Math Workshop

OLDERS and YOUNGERS: Next week, we will be taking a Topic 1-11 cumulative assessment. This will review all concepts taught this school year. I am constantly reviewing past concepts during our math time. It is important that past concepts are not forgotten as math concepts are built on one another.

OLDERS & YOUNGERS NEED TO KNOW:

- Facts to 10 with automaticity & fluency
- Doubles
- Vocab: sum, difference, addend, equal
- Count backwards & forward on a 100 chart when starting at any given number
- Solve story problems by explaining what is being asked and how they will solve it.

Reading Workshop

This week, we will be ending unit 6 and beginning unit 7. The Olders are so excited because in unit 7, the assessments don't read it to them, but rather they read it themselves. Oh, I wish I was a first grader, again!!!

We read "Tall & Small Play Ball" and worked on the following skills:

- Making text-to-text & text-to-self connections.
- Summarizing and inferring.

PHONICS:

OLDERS: Plural nouns that end in -es. Did you know that if a word ends in -ch, -ss, -sh, -x, -z, you add an -es to make it plural.

YOUNGERS: Initial /w/ in short vowel words at the beginning and part of a blend (twin).

Follow the link and review our heart words with your child.
