

CHESHVAN

NEW BEGINNING

- Manasseh tribe - to forget, to leap up and away.
- Constellation: Scorpio (the scorpion) - tread on serpents and scorpions.
- Color/Stone: Black/Onyx or Agate
- 8th Month - 8 signifies eternal revelation and new beginning.
- The Messiah - the promised deliverer. This month is reserved for Him this month.
- The flood began in Cheshvan, and ended the following year on Cheshvan. Noah brought his sacrifice to God and God swore never again to bring a flood.
- A flood will keep moving until you let go of the root that God wants to set you free from. Drowning people panic, which leads to casualties. STOP panicking. CALM down. The devil is trying to kill you, God is trying to rescue you. You are confused. Get with someone who can help you find the root so you can be rescued.
- God revealed the sign of His covenant with the world - the rainbow.
- This month is connected to the fragrance of myrrh. In the Bible Myrrh symbolized death and mourning. Today, myrrh is used to reduce inflammation and pain, and heal the skin. God is always working through the body, soul and spirit connection.
- This month is your invitation to go deeper in your revelation with God. Ask for the Truth and Wisdom of God to help you navigate your current situation. You have access to the power of the Holy Spirit...now access it.
- This stomach: words have gone deep into our stomachs, changing our behaviors, and creating fears and anxiety. God wants to set you free from these words that have manifested into actual stomach issues. This month, break agreement with the lies, push them out and release them from your core. YOU ARE NOT that person. Yell from your innermost being that you are NOT....(insert the lie you have been believing).
- This is the month to digest what you have heard. Take a break from the self help and information gathering...walk it out, make the changes, create new habits and asses your growth.
