BEGINNING OF MIRACLES

- Aries, the ram (Lamb) – celebrate the passover Lamb as Heaven and Earth connect.
- Color/stone: dark Red, blue topaz.
- Repentance, redemption and the beginning of miracles.
- Alphabet HEI – wind, breath, and praise. Watch your speech, as you express your deepest feelings and insights. Negative confessions take seed in you, positive confessions grab the wind and change the atmosphere into blessings.
- Abib is a Hebrew term for the stage of growth of grain when seeds have reached full size.
- Wave your offering before the Lord this month declaring that the fullness of your harvest is being secured and that every seed you sow will prosper in new ways.
- As the Passover month, we are standing at our Promised Land and preparing to enter a new season of inheritance. Allow the Lord to deliver you from every hinderance that would keep you from entering your place of fulfillment.
- Tribe of Judah! Apostolic leaders and warring tribe that knows how to operate with sound.
- This is a key time for praise. Speak out your thankfulness to God for His deliverance.
- You must discern what could encroach on your boundaries and war for what is rightfully yours. Even if you are in a season of peace....war for your covenant promises.
- Spring or repentance: come out of the dead winter season, positioning yourself to bring forth new life and flourish.
- Put your best foot forward, step forth in strength and consider where God is leading you this month.
- Controller month – authority to guide or manage economic activity.
