WHAT OTHERS SAY ABOUT DR. JIM "DOC" WEATHERS

"I'm an international speaker and I also produce events. Doc Weathers is someone that I've had on my stages. I have the privilege of being around some really great people around the world who convey impactful messages. And one of the things that I love about Doc is he's a really big man with a giant heart. He tells stories and adds humor, but he has a point to everything he says. You would be so happy to have Doc on your stage to impact your audience at your next event. I highly recommend him and you know you will be happy to have Doc in your corner to make your event extremely special."
