As long as we remember that we serve the people, and we work together to do what is right, all of these goals can be achieved.

We are in this room only because the people of Florida allow us to be here. It is they, and not we, who possess this power. It is we, and not they, who are the servants. So let us serve them well.

And if we do, I believe that those who may gather in this room or stand in this place, 10 or 20 or 50 years from now will be able to say that this was a special time when good men and good women came together for the common good and made Florida truly the brightest star in the American sky.

I look forward to working with each of you. Thank you. God bless you, and God bless our beautiful Florida.
