❄️ Reindeer Games — Winter Wonderland Edition

A frosty festival of fun, laughter, and light-hearted competition

🎯 1. Toilet Seat Toss

Step right up for the North Pole's silliest sport. Can you launch the seat and land it over the plunger like a true *bathroom-born* champion? One perfect toss and you might just flush away the competition.

🧊 2. Snowman Target Challenge

Frosty's feeling brave — take aim and see if you can knock the chill right off him. Whether you're a sharpshooter or a snow-day dreamer, this frosty face-off is pure winter joy.

🐟 3. Frozen Fish Toss

Only the bold dare to fling a frosty fish. Channel your inner ice-fisherman and try to land your slippery sidekick into the bucket. It's colder, sillier, and far more fun than it has any right to be.

🏒 4. Snow Putting Challenge

Golf meets hockey in this snowy mash-up. Grab a stick, line up your shot, and see if you can putt your way to glory. It's the only time you'll ever hear, "Nice putt, Gretzky."

🦌 5. Pin the Nose on Rudolph

Rudolph's lost his glow — and only your best toss can bring it back. Spin, aim, and send that bright red nose flying. Land it just right and you'll light up the whole Wonderland.

🎲 6. Lucky Roll Dice Game

Feeling lucky? Roll three of a kind in one go and earn a bonus entry for the grand prize. It's simple, suspenseful, and just chaotic enough to make the whole crowd cheer.

☕ Warm-Up Station

Free hot cocoa, a crackling fire, and plenty of cozy spots to thaw your fingers between games.
