

Union Leaders,

During this very uncertain time we know your **Members** and **employees** are concerned about their jobs... we are no different. We want to help you keep the Local up and running while people are working from home. We have special pricing on Hotspots, Tablets, Cellphones, and other AT&T offerings for Unions, including Teleconferencing. You can reach out to your local AT&T contact or the **union order desk** [orders@unionmobility.com](mailto:orders@unionmobility.com) directly for Mobility and **Jason Kaster** [JK027Q@att.com](mailto:JK027Q@att.com) for all other Order Requests.

Thank you for supporting the company that supports Unions.

Be Safe,  
Dave
