Our 2026 Grand Marshalls

For our 56th Reunion, we are proud to recognize OVAM Lifetime Members Randy and Kim Griffith from Hamersville, Ohio as our Grand Marshalls.

Randy is a second-generation member of our Board of Directors, where he has served for 23 years. In that time, he has been the Director in Charge of the Food and Beverage vendors, responsible for booking the entertainment for each year's Reunion, and also runs the Shingle Mill. You may also see Randy and Kim hauling A LOT of ice around the grounds during our Reunions. Kim has assisted Randy through all the years, helping with paperwork

behind the scenes.

Randy and Kim, who recently celebrated their 40th wedding anniversary, have two daughters, two sons-in-law and six grandchildren. They are pictured here with their 1937 Farmall "Duckbill" F-30, which Randy purchased many years ago from his Dad for \$1.00, and had been used locally on a farm in Georgetown.

As you visit us during our 56th Reunion this weekend, be sure to look for Randy and Kim, and give them a wave as they lead our daily parades, and thank them for their service to the OVAM.

OVAM Facebook Photo Contest Winner

Kaitlyn Jeffer's awesome photo of three-year-old Waylon, standing next to a sharp looking Farmall, received the most likes from our Facebook followers, and was selected to be a part of the front cover of our 2026 Show Program. Kaitlyn, from Batavia, Ohio, says that her Lil Cowboy fell in love with this 1937 Farmall F-12, owned by Alan West of Lynchburg, Ohio, and just had to have his picture taken with it.

Want to join in on the fun this year? Here's what you do:

Go to the Ohio Valley Antique Machinery Show page on Facebook

From there, you will find our post for the 2026 Facebook Photo Contest. Post your favorite pictures from this year's Reunion as a reply to that post. The photo getting the most likes by October 1, 2026 will be our winner, and will be used in the 2027 Show Program.
