Dick McGregor was a long standing, respected member of our society. He was a well known resident of Polstead and the large attendance at his funeral last year gave an indication of how highly regarded he was and how much he will be missed.

One of his friends from Polstead, Bill Wigglesworth, is moving house in the near future and while sorting things out he found some stamps. He has donated them to us to sell in our auction with the whole proceeds going to club funds. He is doing this in memory of Dick who loved his stamps so much.

This is a very generous gift from Bill and is much appreciated.

When you next have a glass of something raise it as a toast to Bill and in memory of Dick. The first 47 lots are those donated in memory of Dick. Some are from Bill Wigglesworth's father and some accumulated by Bill during his working life. RESERVES ARE DELIBERATELY LOW
