Douglas Whiteman, Mayor

June 24, 2026

To Whom It May Concern,

The City of Atqasuk supports the continued advancement and evaluation of the proposed Triangle Community Road project through future planning and environmental review processes.

The City recognizes the importance of continued dialogue regarding regional transportation and infrastructure opportunities on the North Slope. The City also supports ongoing consultation and engagement with North Slope communities, including Atqasuk, as the project moves forward.

The City of Atqasuk appreciates the opportunity to remain involved in future discussions regarding the project and encourages continued consideration of community, subsistence, environmental, and regional interests throughout the process.

Sincerely,

Douglas Whiteman, Mayor
