

In my daily life, I try to be very conscious about maintaining an “attitude of gratitude” and expressing my thanks for nice things that are done for me, particularly if it something that I am unable to do for myself.

So in that regard, I would like to say “thank you” to the many volunteers who help in and around the church on a regular basis to support its mission and facilities. We are also very appreciative of the time and talents of the Council who oversees the behind-the-scenes workings of our church business and offers support to our staff.

Thank you to our members who come to lift up their voices in praise in worship, offer prayers on behalf of others, and contribute financially to Friedens’ ministries.

Sincere thanks to all who serve on the choir adding nice musical touches to our church services ... to those who tend to the altar and the sacrament of Holy Communion every Sunday and help in decorating the nave for the various holidays ... to the hosts of coffee hour for their tasty offerings and gracious hospitality ... to those who serve as lectors, greeters, and ushers warmly welcoming folks who come to worship ... and to our dedicated Sunday School teachers who faithfully share God’s love with our children and youth.

Thanks to the many volunteers who help with various events like making the Easter candy, hosting dinners, contributing to soup sales, and making our delicious shoofly pies ... in all things, **we wouldn’t be successful without you!**

With gratitude ~ Pastor Lisa Borrell
