Worth County High School

WCHS Principal, Melissa Edwards

Melissa Odom Edwards is from Sylvester and is a Class of 2000 graduate from Worth County High School. She has a Bachelor's Degree from Georgia Southern University, Masters Degree from American Intercontinental University, and is working on her doctorate degree at Valdosta State University. Melissa has spent all 16 years of her career

serving students in Worth County at both Worth County Middle and Worth County High School. She has been married to Josh Edwards for 15 years and has two sons, Jackson and Beau, who attend Worth County Schools.

GO RAMS!!!

Worth County Schools Athletic Director

My name is Will Smith and this is my 22nd year in the Worth County School System. I am married to Michelle Aury Smith from Mitchell County. We have two sons, 2021 Worth County Graduate Worth Smith who will be attending Mercer University in the fall to play Baseball and Sophomore Luke Smith who currently plays baseball for the Rams. I am currently the Principal of the Worth County Achievement Center, Athletic Director and Head Baseball Coach for Worth County Schools.

This is my 26th year as an Educator. After Graduating High School from Cook County, I received by Associates of Arts Degree from LBW Junior College before transferring to Valdosta State University where I had the opportunity to play Baseball and graduate

with my Bachelors Degree in Health and Physical Education. Because I believe in education and the opportunities it has afforded me and others, I earned my masters degree in Administration from Albany State University and finally my Education Specialists degree.

Athletics has taken me so many places geographically, personally and educationally. I am so proud and honored to serve Worth County as the Athletic Director to hopefully provide the same opportunities to our students. During my time at Worth County Schools as Head Varsity Baseball Coach, I have earned over 300 wins and the Ethics in Coaching Award. As Assistant Softball Coach, our girls made it to the Elite 8 five times and four years in a row! I am absolutely honored to be apart of that state record!

Worth County Schools and the City of Sylvester is a huge part of my life and has played one of the biggest parts in my success over the last twenty years. I am so grateful to our community for the Lifetime Achievement Award nomination in 2020. I hope to make the community as proud of me as I am to be apart of it. I look forward to this new endeavor to lead Worth County Athletic Department into the future.

A Coach

A coach is like a teacher,
Teaching many skills
Not only about the game he plays
But about the way life is

A coach is like a friend,
He's there right by your side
In good times and bad times
In times you laugh or cry

A coach is like a counselor,
He listens everyday
He helps you solve your problems
He know the words to say

A coach is like a doctor,
He has to find what's wrong
He has to make it better
So the team can move along

A coach will help you deal with loss
And teach you how to win
He'll take the team that once was boys
And turn them into men
