Worth County High School

WCHS Principal, Melissa Edwards

Melissa Odom Edwards is from Sylvester and is a Class of 2000 graduate from Worth County High School. She has a Bachelor's Degree from Georgia Southern University, Masters Degree from American Intercontinental University, and is working on her doctorate degree at Valdosta State University. Melissa has spent all 17 years of her career

serving students in Worth County at both Worth County Middle and Worth County High School. She has been married to Josh Edwards for 16 years and has two sons, Jackson and Beau, who attend Worth County Schools.

GO RAMS!!!

Worth County Schools Athletic Director

My name is Will Smith and this is my 23rd year in the Worth County School System. I am married to Michelle Autry Smith from Mitchell County. We have two sons, 2021 Worth County graduate Worth Smith who attends Mercer University and is a member of their Baseball Team, and Junior Luke Smith who plays baseball for the Rams. I am currently the Principal of the Worth County Achievement Center, Athletic Director for WCSS, and Head Baseball Coach for Worth County High.

This is my 27th year as an Educator. After Graduating High School from Cook County, I received my Associate of Arts Degree from LBW Junior College before transferring to Valdosta State University where I played Baseball and graduated with my Bachelor's Degree in Health and Physical Education. I was also able

to Coach in the DII College World Series (finished 3rd). Because I believe in education and the opportunities it has afforded me and others, I earned my master's degree in Administration from Albany State University and finally my Education Specialists Degree.

Athletics has taken me to so many places geographically, personally, and educationally. I am so proud and honored to serve Worth County as the Athletic Director and hopefully provide the same opportunities to our student-athletes. During my time at Worth County Schools as Head Varsity Baseball Coach, I have earned over 350 wins. In 2020 I was awarded the most prestigious honor in coaching baseball in Georgia as I was selected for the "Ethics in Coaching Award". As Assistant Softball Coach at WCHS, our girls made it to the Elite 8 five times and four years in a row! I am absolutely honored to be a part of that state record!

Worth County Schools and the City of Sylvester are a huge part of my life and have played one of the biggest parts in my success over the last twenty-three years. I am so grateful to our community for the Worth County Lifetime Achievement Award nomination in 2020. I hope to make the community as proud of me as I am to be a part of it. I look forward to this year and to leading the Worth County Athletic Department into the future.

A Coach

A coach is like a teacher,
Teaching many skills
Not only about the game he plays
But about the way life is

A coach is like a friend,
He's there right by your side
In good times and bad times
In times you laugh or cry

A coach is like a counselor,
He listens everyday
He helps you solve your problems
He know the words to say

A coach is like a doctor,
He has to find what's wrong
He has to make it better
So the team can move along

A coach will help you deal with loss
And teach you how to win
He'll take the team that once was boys
And turn them into men
