## **A Coach**

**A coach is like a teacher,  
Teaching many skills  
Not only about the game he plays  
But about the way life is**

**A coach is like a friend,  
He's there right by your side  
In good times and bad times  
In times you laugh or cry**

**A coach is like a counselor,  
He listens everyday  
He helps you solve your problems  
He know the words to say**

**A coach is like a doctor,  
He has to find what's wrong  
He has to make it better  
So the team can move along**

**A coach will help you deal with loss  
And teach you how to win  
He'll take the team that once was boys  
And turn them into men**
