Like what you hear??

It is so much fun going to football games on Friday Nights in our little towns. The players are excited to play and the fans are excited to cheer them on. The band sounds great and the food smells awesome! The Cheerleaders are cheering loud and everyone is enjoying the game.

But what about the announcers in the press box? You got it, they have a hard job keeping us all entertained with the play by plays and updating us on scores around the region. So when you see the announcers, tell them thank you for a job well done! We love to hear our Football Announcers!
