First Annual Car Show Held In Downtown Sylvester

What a beautiful day Saturday was for the First Annual Car Show held in Downtown Sylvester. There was a great turnout and below is just a very few pictures of the cars shown on Saturday. There were cars, trucks, motorcycles and more. Be sure to visit The Martin News Facebook Page and the Sylvester - Worth County Chamber of Commerce for more pictures from the event. This event could not have been possible without the many volunteers and sponsors. A huge thank you to each and everyone of them. The RamTech CCA instructors and students at Worth County High School worked hard to design the logo, design and print the registration cards, heat press 175 t-shirts, design and build 22 awards. "This is by far the most collaborative project we've had the pleasure of helping with" stated Mrs. Teresa Sumner, CTAE Director/Assistant Principal at Worth County High School "We are so proud the Sylvester - Worth County Chamber of Commerce and City of Sylvester trusted us and gave us the opportunity to show what we are capable of!" The awards were a joint venture between carpentry and welding programs led by Mr. Cory Miller. The registration cards were designed and printed in the Business lab led by Sonya Wingate Broome. The logo was designed in the AVF and Digital Media lab led by Sabrina Zupko. The t-shirts were printed and pressed within the Textiles lab led by Amy Wilson Fitzgerald. The vinyl on the awards was printed and applied in the Marketing lab led by Melissa Jennings Kelly. "WCHS CTAE instructors and students are second to none" expressed Mrs. Sumner "I am so proud to get to work with them everyday." What an amazing event this was! We can't wait to attend this event again next year. Congratulations to all the winners! Thank you to Retro FM 102.1 for covering the event as well. Again be sure to follow The Martin News and Sylvester - Worth County Chamber of Commerce for all the pictures from the event.

Graduation Information For The Class of 2022

The Worth County High School Graduation Ceremony will take place on Saturday, May 28, 2022, at 8:00 AM at the WCHS football stadium. Seniors should arrive at the football stadium at 7:00 AM for line-up and last minute instructions.

The graduation dress code is as follows:

- Girls: Black dress (No Strapless or Spaghetti Straps), OR White collared, button-up shirt and black pants with black dress shoes (No Flip Flops). The dress should not be seen outside of the graduation gown.
- Boys: White collared, button-up shirt, black or dark tie, black slacks, black socks, black dress shoes (No Flip Flops).
- Only school issued regalia (cords, stoles, etc) may be worn during the ceremony. Students may not wear sunglasses or large necklaces during the ceremony. Caps and gowns may not be altered in any way.
- No cell phones are allowed during the graduation ceremony.

In the event of rain, the graduation ceremony will be held in the WCHS Gym at 11:00 A.M. Due to the limited seating in the gym, each senior will receive six admission tickets. If the gym becomes crowded, guests will be directed to the WCHS Gymnasium where they can view a screen that shows the graduation ceremony.

PTO and STEM Night Held At WCPS

Worth County Primary School wants to thank everyone that made it to their PTO and STEM night on Monday, April 18th and contributed to making the event a huge success. A parent teacher organization (PTO) gives parents and teachers the opportunity to work together to supplement and enrich the educational experience. STEM is an acronym for Science, Technology, Engineering and Math education. It is an interdisciplinary approach that helps students succeed in college and in their future careers. The focus of a STEM education is hands-on, problem-based learning and is started in primary school aged children. Combining these two events created an event where the singing was great and the activities were amazing! Fun was had by all.

Heritage

&

Marksmanship

- The Debt We Owe To Our Forefathers
- The Duty We Owe To Our Posterity
- The Story Of Our Nation`s Birth
- The Lessons Of April 19, 1775.
- New Shooters - Learn fundamentals and make quick progress
- Experienced Shooters - learn new techniques
- Experts - polish skills and become an RWVA Instructor in Training
- Master the Riflemans Quarter Mile

Project Appleseed is a nationwide program that teaches rifle marksmanship skills that have been passed down from generation to generation and reconnects Americans with the people and events of colonial America. Participants are taught skills that allow a Rifleman to be accurate out to 500 yards using a standard rifle with iron sights. This ability is traditionally known as mastering the 'Rifleman's Quarter Mile' and is an American tradition that has been part of this nation from its very first days. So join us and hear some little-known Revolutionary War history, reaffirm your heritage, and make America a better place.

For Immediate Release

Project Appleseed Rifle Marksmanship Clinic Offered at Red Hill Range in Martin, Georgia – May 14th (One Day Event)

In today's world of 24-hour news cycles, changing technologies and push-button gratification it is a challenge to stay connected to the values that our great country was built on. Ideals such as integrity, commitment and personal responsibility are what founding fathers relied on to win our independence and to then make America a great nation. At Project Appleseed™, we are dedicated to keeping these timeless values alive. We promote civic responsibility through the teaching of colonial history and the American traditions of rifle marksmanship. Even after all of these years, there is much to be learned from our forefathers' examples of perseverance, commitment and civic virtue. With a full calendar of shooting clinics and events Project Appleseed™ is here to make sure these timeless principles live on for generations to come.

The cost for our one day clinics is \$60 for adults and \$25 for youth under 18*. There are discounts for law enforcement, active and retired military and guard and more*. And just a \$10 range fee per day.

Project Appleseed™ is a fast-growing, 501(c) (3) non-profit educational community of dedicated volunteers.

The Project Appleseed rifle marksmanship clinic will be held on May 14th at Red Hill Range, at 2208 Toms Creek Rd, Martin, GA 30557.

Registration begins at 8am. The clinic starts at 8:30 a.m. and will continue until 5:00 p.m.

Participants are taught fundamental rifle marksmanship skills that are to allow a rifleman to be accurate out to 500 yards, with iron sights or a scope, a standard rifle and surplus ammo. Most of the instruction at a Project Appleseed event is conducted on the firing range at 25 yards, at reduced size targets to simulate 100 to 400 yards. Students will learn rifle shooting from the standing, sitting, kneeling, and prone positions, sight alignment, and breath control, along with safe gun handling, proper use of a sling, and Revolutionary War history.

Please bring your own ear/eye protection, a rifle with sling, ammunition, rifle mat, bug repellent, hat, sunscreen, a packed lunch, snacks, drinks, and plenty of water to stay hydrated.

A .22 caliber rifles and centerfire rifles are both acceptable. About 250 rounds of ammunition will be needed per day.

To register online, go to www.appleseedinfo.org. Or for more information, contact the Georgia State Coordinator, GA@appleseedinfo.org.

For Immediate Release

Project Appleseed Rimfire Known Distance Clinic Offered at Red Hill Range in Martin, Georgia – May 15th (One Day Event)

In today's world of 24-hour news cycles, changing technologies and push-button gratification it is a challenge to stay connected to the values that our great country was built on. Ideals such as integrity, commitment and personal responsibility are what founding fathers relied on to win our independence and to then make America a great nation. At Project Appleseed™, we are dedicated to keeping these timeless values alive. We promote civic responsibility through the teaching of colonial history and the American traditions of rifle marksmanship. Even after all of these years, there is much to be learned from our forefathers' examples of perseverance, commitment and civic virtue. With a full calendar of shooting clinics and events Project Appleseed™ is here to make sure these timeless principles live on for generations to come.

The cost for our one-day Rimfire Known Distance clinics is \$60 And just a \$10 range fee per day.

Project Appleseed™ is a fast-growing, 501(c) (3) non-profit educational community of dedicated volunteers.

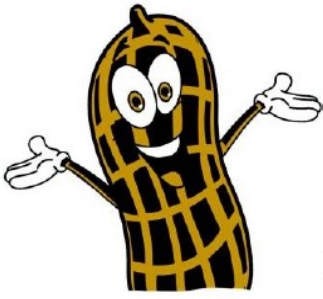

The Project Appleseed Rimfire Known Distance Clinic will be held on May 15th at Red Hill Range, at 2208 Toms Creek Rd, Martin, GA 30557.

Registration begins at 8am. The clinic starts at 8:30 a.m. and will continue until 5:00 p.m.

A RKD (Rimfire Known Distance) is just like a Centerfire Known Distance. Except you're using a 22LR. About 250 rounds of ammunition will be needed per day. Most of the RKDs are done at a 100-yard range. The stages are at 25, 50, 75, and 100 yards. Just how much drop will a bullet have at 100 yards if it's zeroed for 25? And how much will the wind affect a 22LR at 100 yards? So, all the principals involved in a 400-yard KD apply here. And it's just plain fun and a bit of a challenge.

Please bring your own ear/eye protection, a rifle with sling, ammunition, rifle mat, bug repellent, hat, sunscreen, a packed lunch, snacks, drinks, and plenty of water to stay hydrated.

To register online, go to www.appleseedinfo.org. Or for more information, contact the Georgia State Coordinator, GA@appleseedinfo.org.

CALLING ALL STUDENTS!

Designer needed for 58th Annual Peanut Festival T-shirt Theme!

The Peanut Festival Committee would like to invite any student to enter the contest to be the designer of this year's Peanut Festival theme! The winning theme will appear on all promotional and marketing materials including the 2022 t-shirt! So, grab your pen and paper... or crayons, markers, paints, whatever medium you prefer... and enter for your chance to be this year's artist! Winning designer will win a **cash prize of \$100.**

See full contest rules below:

2022 Peanut Festival Design Theme Contest Rules:

1. Contest is open to any student (Grades Pre-k through 12) who is a resident of Worth County.
2. Contest is open to individual students or classes.
3. You may enter as many designs as you wish.
4. Entries will be judged on the following criteria: Originality of Theme, Use of Peanut Festival Mascot, and Ease of marketing production.
5. Entries must be submitted no later than 11:59 p.m. on April 30, 2022
6. Entry must be your own original concept.
7. Designs must be submitted with artist name and contact information.
8. All entries must be submitted by uploading design to the Peanut Festival Design Contest email address info@swcountycommerce.com or submitted in person to the Sylvester-Worth County Chamber of Commerce.
9. Winning entry will receive a cash prize of \$100, be in the Georgia Peanut Festival Parade, be featured in this year's Peanut Festival Magazine and artists name will be on the T Shirt.
10. All entries may be subject to display, either in digital or original format.
11. Most importantly, have fun! It's WORTH it!

Coca-Cola Donates \$1 Million To Train GA Truck Drivers Partners With State Technical Colleges For Commercial Truck Driving Programs

The Atlanta-based Coca-Cola Co. on Tuesday announced a \$1 million donation to the Technical College System of Georgia (TCSG) Foundation for the college system's commercial truck driving program. The donation "aims to insure more drivers are in the pipeline to fill trucking industry jobs," the company said in a statement. Coke is also partnering with TCSG and local distributor Coca-Cola Bottling Co. United to create a statewide truck tour to raise awareness of TCSG's truck driving program and career opportunities with Coca-Cola United, which recently opened a regional

marketing and distribution operation in Tifton. The truck tour, dubbed "Delivering the Future," will "make stops in five communities across the state, including Savannah, Athens, Vidalia, Macon, and Tifton," said Gianetta Jones, vice president and chief people officer for Coca-Cola United. "In Georgia, we're fortunate to be able to hire drivers from TCSG's world-class commercial truck driving program. Our goal is to raise awareness of the program and trucking industry opportunities available right in our home state, most specifically the 85 open commercial driving opportunities currently available with Coca-Cola United." Jones said. Alfredo Rivera, president of the Coca-Cola Co.'s North America operating unit, said the trucking industry has lost 6% of its workers nationally since the pandemic began, which exacerbated a driver shortage expected to top 160,000 by 2028. "We are grateful for our partnership with the Coca-Cola Co. and Coca-Cola United, and look forward to leveraging this investment to attract more best-in-class trainers who are the foundation of our program," said Greg Dozier, TCSG commissioner. "With the expansion of the program, this investment will allow us to prepare more commercial truck drivers to enter the industry, helping to ensure the continued transport of goods upon which we rely across the state." The Coca-Cola truck tour is scheduled to be in Tifton on Thursday, May 26, at Southern Regional Technical College.

Synovus Offers Funding For Community Revitalization Projects

Synovus has a special program offering funding to support community revitalization projects. This effort is a collaborative partnership designed to improve the economic health of the communities that Synovus serves. Synovus is ready to be a business' financial partner for a revitalization and beautification program that helps to enhance the quality of life for the community, benefitting its residents and visitors alike. Under the program, financing is available for real estate acquisition/development/redevelopment and new construction. "We want to help make more good things happen in downtown," says Marion Holland, Synovus Vice President, Professional and Executive in Tifton. "The terms and conditions are very exciting. We hope this will encourage more revitalization. We all benefit from revitalization and we're very excited about the two active projects we are currently financing." Funding is available at special rates and terms on loans greater than \$50,000 and up to \$1 million, with a maximum loan to value (LTV) for real estate loans of up to 90%. For new construction, maximum LTVs are up to 80%. Terms of the loan repayment will vary based on a project-by-project basis, and on the collateral provided. To be

eligible, a community must be within counties, or contiguous to, where Synovus has a physical location. Properties must be located within the defined historic downtown business district determined by the local city or development authority and approved by Synovus. Evidence of use of city guidelines is essential to the applications and written confirmation should be provided. Applications must demonstrate viable projects with clearly identified proposed use of the loan proceeds, as well as required injections of at least 10%. New construction/renovations must meet the standard guidelines the city has in place. A portion of the funding provided must be used for exterior improvements. Special pricing will not apply to loans for working capital, furniture, fixtures, equipment, etc. "We hope this is inspiration for bringing new business here, for attracting more business for Tifton," Holland says. For more information, call 229-388-6254 or email marionholland@synovus.com

10th Big Little River Paddles Race Begins At Reed Bingham on April 30

The 10th Annual Big Little River Paddle Race is set for 8 a.m.-noon on Saturday, April 30, at Reed Bingham State Park in Adel. Racing is not required along the route from Red Roberts Landing to the lake at Reed Bingham Park; many participants do a leisurely paddle. The event is a fundraiser for the WWALS Watershed Coalition. The overall winner will receive a \$100 cash prize. If first-place finisher beats the previous best time, there is an additional \$200 prize. Winners in each category will also get a special award. Participants may bring their own canoes or kayaks; no motors, rowboats, or paddleboards are allowed. Rentals for canoe and kayaks must be made in advance. The course is a scenic three-mile, all downstream stretch of the Little River with winding, flat blackwater and some trees to maneuver around. Alligators, red wasps, and snakes may be present. Life jackets are required, and participants must supply their own. A lunch will be provided at the finish. Registration is \$30 per boat and must be made in advance.

Mothers And Sons Danced The Night Away At The First Annual Mother Son Dance

The first annual Mother & Son Dance was held Saturday night at the Henry Hall Woodland Community Center hosted by L & H Community Outreach. Around 200 people danced the night away. Everyone was dressed beautiful and handsome, enjoying the fellowship with each other. The Mother and Son Dance will be held around this time annually along with many other events being planned. The proceeds from the dance is being put back into outreach ministries in order to offer many events to the families in Sylvester. L & H Community Outreach is currently working on possibly having an Adult Prom, a Mom & Me Dance among other events. The Martin News is excited to partner with L & H Community Outreach to help bring events for all ages to our community.

2022 SCHEDULE

Dementia Caregiver Resource Fair

Saturday, April 30 | 9:00 AM - 11:30 AM

VIRTUAL

Join the Alzheimer's Association - Georgia Chapter and our Partners as we guide you through some of the community resources available for caregivers. Join us for all discussions or just a few!

Registration is required and can be done by clicking here: <https://tinyurl.com/ALZ043022> A link to join us on April 30 will be sent upon registration.

9:00: Welcome

Join Alzheimer's Association - Georgia Chapter as we review what we've accomplished in the past year and see what we will talk about during our Resource Fair.

9:05 - 9:30: Understanding Alzheimer's and Dementia

Alzheimer's disease is not a normal part of aging. Join us to learn about the impact of Alzheimer's, the difference between Alzheimer's and dementia, stages and risk factors, current research and treatments available for some symptoms, and Alzheimer's Association resources

9:30-10:00 Waiver Programs

Learn from experts about Waiver programs that help people who are elderly or have disabilities and need help to live in their home or community instead of an institution such as a nursing home or intermediate care facility for people with intellectual or developmental disabilities.

10:00 - 10:30: Senior Centers

A senior center is a type of community center where older adults can congregate to fulfill many of their social, physical, emotional, and intellectual needs.

10:30 - 11:00: Empowerline

Finding the right support can be challenging for you and your family if you are unfamiliar with the programs designed to help older Georgians or individuals with disabilities — Empowerline is here to help. We are the front desk for people who need help navigating life changes and surprise obstacles in their homes, with their health, and in their communities. We can help connect you to privately and publicly funded resources from more than 26,000 community-based providers.

11:00 - 11:30: Structured Family Caregiver Program

The Structured Family Caregiving program (SFC) with Health Force of Georgia offers financial and support services to Georgia families that deliver care at home for a senior or disabled person. Find out more details to see if you may meet SFC requirements and be eligible for financial compensation .

11:30: Closing

Review the knowledge shared during our Resource Fair and upcoming programs related to today's topics of discussion.
