

Dear Business Owner,

I am honored to introduce you to the Angleton High School Theatre Program, where creativity, education, and community come together to provide exceptional opportunities for our students. This year, we are inviting valued partners like you to join us through our Theatre Sponsorship Program.

Your sponsorship directly supports our students by:

- Funding scholarships for continued educational opportunities
- Enhancing student growth through hands-on learning experiences
- Providing resources for high-quality theatrical productions

These opportunities help shape the next generation of leaders, artists, and innovators.

What makes this year especially exciting is that our annual musical is more than just a theatre production—it is a collaborative Fine Arts showcase featuring Theatre, Band, Orchestra, and the Aristocats. Your support ensures that hundreds of students across multiple disciplines have the opportunity to shine.

We are proud to offer a range of sponsorship levels and advertising opportunities, each carefully designed to showcase your commitment to education and the arts, while providing valuable visibility for your business. Sponsorship is not only an investment in our students—it is also an excellent way to promote your business to our audiences and the greater Angleton community. All contributions are tax-deductible.

New This Year: As a featured benefit, sponsors will also be recognized with a commercial performed by our theatre students, showcased during intermission at productions throughout the year. This unique recognition highlights your business while giving our students real-world creative experience.

To become a sponsor, please visit: www.Angletontheatre.ludus.com

For logo submissions, ad artwork, or check pick-up arrangements, please don't hesitate to contact us at AHSDramabooster@gmail.com.

Thank you for considering this opportunity to make a meaningful difference in the lives of our students while showcasing your business's dedication to education and the arts. Together, we can continue to inspire, educate, and empower through the Fine Arts.

With sincere appreciation,

Christine S. Williams
