Introduction

The Theatre program is an integral part of the total school experience and participation is considered a privilege, not an expectation. The policies, procedures and regulations in this handbook are in compliance with school board policies and administrative procedures. They are designed to provide for successful experiences for students and the efficient operation of the Theatre programs. This handbook supersedes all prior publications governing AISD Theatre programs and shall be used by all principals, directors, and members in grades 9-12. Its purpose is to help answer student/parent questions and be a guide for defining the procedures of the organization. You, the member, are accountable and responsible for all guidelines contained within this handbook and for any additions that your respective director might add

Purpose

The purpose of the Angleton High School Theatre Handbook is to provide parents and students with a resource to which they may refer regarding theatre procedures and policies. The handbook provides students with standards, expectations, and information to help them have a positive experience in the AHS theatre program.

 - Refusal to hand over a device will result in disciplinary action per the Angleton ISD Student Code of Conduct.
-

What does this mean for Theatre?

- Students may not have their cell phones on their person, at all. This includes rehearsals. After 3PM, if a student needs to use the phone, they may step outside for the call, but then it is to be put away until the students leaves campus.
- We are awaiting guidance on usage during extended trips. Cell Phone rules will apply to all Day Field Trips.

- Safety is paramount. Students may not utilize the shop, or tools without supervision. Students must check out tools to be used, and turn in tools to Mr. Risoldi, when done. The student signing out a tool will be held responsible for said tool. If Tools are checked out by student and not returned, the student who is listed as the checkout will incur a fine. Technical students are responsible for weekly shop cleaning that are appointed by Technical Director and shop manager.

- Respect the physical space of your troupe members. No “rough housing,” inappropriate public displays of affection, expressing uninvited, inappropriate intent, sharing inappropriate social content, and gossiping. These behaviors may have you removed. According to TEKS guidelines, being a part of theatre is a privilege, not an expectation. Any student who violates behavioral, ethical, and work expectations will be dealt with within the guidelines of Angleton ISD policy, and dept policy. They will also be asked to resign their position from current department, and show.

- Any student found in violation of District and department policy during a trip will be expelled from said activity, and must be picked up by parents, at the family/guardian expense. They will be expelled from dept, and any extra curricular activity within the dept.
Students who spend time in ISS, OSS, DAEP, CATS will be assessed as to their position and participation within the department, and any current show or trip.
- Students **must be passing** classes in order to participate in extra-curricular activities. Students may not have absences in other classes, and just attend theatre. This will affect your placement.

Digital Citizenship

Maintaining a higher standard of conduct will also include ensuring that theatre student member websites, and chat groups are appropriate. The internet is a worldwide, publicly accessible form of communication. Any communication appearing on the internet is public domain, even if it is marked private. Members are responsible for their personal websites, chats, and postings, as well as posting from or on other students' websites. The areas of appropriateness will include but are not limited to profane, foul, or disrespectful language (abbreviated or alluding to), pictures, suggestive poses, clothing, references to alcohol, drugs, and/or tobacco, and postings (either verbal or photos) that could be interpreted as being negative or threatening towards or a representation of student, AISD teachers, staff, theatre students, or that demonstrate poor sportsmanship or a disrespectful attitude towards other theatre people in our department, and other groups.

Any such incident will result in review by the principal (or designee) and may lead to probation, or dismissal from the theatre department and thespian society

- If a violation occurs that is deemed to be of a more serious nature, including but not limited to assault, threats, bullying, inappropriate behavior, negative gossip, and/or foul language, or a series/pattern of violations, the student may be subject to a higher level of discipline as determined by the director and school administration. This also applies to inappropriate discussion, threats, harassment, or violent language that pertains to, or concerns any Angleton ISD employee.

Due Process

All Angleton ISD students are entitled to due process in accordance with AISD guidelines. Our goal as a staff is to ensure that all students are treated fairly and equitably. Please contact each perspective director for any issues within their teaching arena. Please bring departmental issues to my (Ms. Williams) attention. I will work with you to resolve problems. If I cannot solve the issue, we will involve the administrative staff, and begin our way up the chain of hierarchy. If they cannot resolve issue, then the principal will become involved. There are always things that go straight to the top, but those things do not involve things that can be easily fixed. It does your student or staff no favors by circumventing a call or email with the instructor by going “over their head” for an issue that may be a simple misunderstanding.

Daily Supplies /Assignments

All Theatre Students need to bring to class everyday:

- **Charged Laptop**
- Black or Blue ink - No pencil for writing
- Pencil for blocking
- Composition notebook or sketch book for journal purposes
- Assignments must be typed. **Handwritten work will only be accepted for journal purposes**
- **Production classes** please bring a yoga mat

Extra-Curricular Guidelines

Theatre, Technical Theatre, Musical Theatre, Production Classes

Participation in extra-curricular activities is optional for Intro to Theatre I-IV students, and mandatory for production classes. Even though they are optional, they are strongly encouraged for any student in these classes wishing to audition/apply for advanced theatre courses in the future.

However, If a class performance has been assigned, it is mandatory that the student participate for a grade. All students are to attend AHS productions, and will given opportunities to attend free performances. Schedule conflicts

are expected to be avoided, as the calendar is available on the website, at the beginning of the year.

Students receive grades for participation. Students are required to perform production hours for each show. Actors are expected to perform 6 hours of production in addition to their acting responsibilities. Technical students are expected to complete 8 additional hours every nine weeks.

Theatre Production, Technical Theatre Classes

Participation in extra-curricular activities are required in the Production Classes. Students audition to earn a spot in these classes. Therefore, it is assumed that they desire to take part in extra-curricular theatre. Each director has specific requirements for extra-curricular participation. However, it is stressed that participation in extra-curricular theatre is a privilege, not a right. You, the theatre student, and your parents, are accountable and responsible for all policies contained within this handbook and for any additional ones that your respective directors might add. The Director of theatre reserves the right to remove a student from extracurricular activity, if a student violates the honor code brought forth in this handbook.

Thespian Troupe / Drama Club

Any student at AHS is eligible to join the Thespian Club. Only consistently participating Theatre student may earn points towards being inducted into the Thespian Troupe by participation in the Troupe/Club activities and shows. Only active Theatre department students are also eligible for formal induction into the Thespian Troupe. This is decided by Ms. Williams. This also includes Letterman Jackets. A letter in theatre may be earned by winning District UIL OAP. It may also be earned with two years of consistent service within the Thespian organization, as well as the department. Students may not receive a letter for being in theatre class. They must be ACTIVE members of the Thespian club, attend meetings, functions, and be active in production for shows. Ms. Williams will make the final decision regarding participation level.

Thespians is an Honor Society. All students must be in good standing academically and departmentally. This is decided by the Director. Only students who are competing, and working within the department will be invited to attend Texas Thespians, in Grapevine/Corpus, and International Thespians. Preference is giving to Seniors, Juniors, and Sophomores, in that order. Freshman are invitation only for thespian convention.

Thespian officers are held to a high standard of excellence. They are expected to assume a leadership role, with honorable intentions. They will assist the director in organizing membership, induction, activities, and banquet.

The Thespian troupe will use the National bylaws as their guide, and also agree to be led by the director of theatre to help create secondary bylaws that

fit within the department dynamic

Grading Guidelines

60% Formative which includes: class participation, group work, and daily work

40% Summative which includes: performances, projects, tests, major group work

Make-up work Policy

If you are absent when a performance is due, your group will perform. If we are still on that particular project when you return to class, you will be able to perform that day. Performances are considered formal assessments. If it is an individual performance or project, you will be able to schedule a time to perform or present before or after school within the AISD guidelines for makeup work for absences.

Late Work Policy

Only one late production paper will be accepted per nine weeks.

Late work and make-up performance work is accepted within 5 school days of the original due date. Major projects and performances must be made up with an appropriate written assignment or other agreed upon task.

Students who receive a failing grade on any evaluation or assignment have the opportunity to re-do the assignment, within five school days of receiving the assessment of the assignment. Re-teach/Training opportunities will be provided at tutorials before school. Please note, the room is not intended as a gathering place. Students may not “hang out,” in any theatre room, or shop, before school, or after. The spaces are intended for scheduled thespian time, rehearsal, education, and tutorials.

Missing Work Policy

We are required to place a zero in the gradebook until the student’s work is completed

Eligibility

All AISD Theatre programs adhere to the eligibility rules and regulations as stated by TEA, UIL, and AISD. Some theatre activities are designated as extracurricular. Students participating in these activities are governed by eligibility requirements. A student shall be suspended from participation in all extracurricular activities sponsored or sanctioned by the school district during the nine-week period following a grade reporting period in which the student received a grade lower than seventy in any class. Loss of eligibility does not take effect until seven days after the end of the reporting period. Ineligible students are not suspended from practice or rehearsal of extra-curricular activities. The student is not suspended from participation during the period in which school is recessed for the summer or any other vacation time.

Students may regain eligibility under certain circumstances. If a student has been suspended as a result of failing, he/she may regain eligibility by passing ALL courses in the third week of the affected grading period. Reinstatement of eligibility would occur seven days after the three-week progress report period (see TEA/UIL Side by Side).

Activities that are considered curricular components of any course are not affected by the eligibility law. Examples of these activities are all rehearsals and performances that take place as a regular extension of classroom instruction. Any performance that is competitive in nature or for which admission is charged is deemed extra-curricular.

If a student fails during a production, they will defer their role to the understudy, or actor chosen by the director of that show. Once they are passing, they will not be allowed to resume their role. The role would be assumed by the understudy.

Auditions

Auditions for involvement in extra-curricular activities are announced at least two to three weeks before the beginning of the production schedule.

Audition opportunities include (During average Theatre Season times)

- Main stage musical – school wide eligibility
- Fall Show- Enrollment in a theatre class to be eligible
- UIL one act play – Enrollment in a production class to be eligible
- Spring Show- Department oriented
- Childrens Shows- JV and Advanced
- Other Extracurricular Shows- It is a show by show basis

Casting Criteria

- Grade eligibility for performance (see eligibility page)
- Attendance and participation at auditions and callbacks
- Appropriateness of student to the role and emotional ability to perform the role
- Student's ability to attend rehearsals and performances
- Student's class behavior
- Parental Behavior
- Actors are required to fulfill six hours of production work for each production they are cast in
- Technical students will have after school tech hours to fulfill
- Casting decisions can sometimes be difficult to experience. The director will always discuss a student's production situation in regards to that student's growth, and future opportunities that are available. Educational casting will always be done fairly, in an ethical and equitable manner. Casting will follow the high standards and procedure set forth by Angleton ISD.

Casting/Class Level Placement

While some casting and Class level decisions are hard to accept, they must be. Casting in educational theatre is a fair and equitable undertaking, and in no way involves a personal agenda or endeavor. While I am always happy to discuss with a student what they can do when auditioning next time, I do not discuss the reasons why one student received a role instead of them. It is important that we support emotional and academic learning and growing by letting them experience the high and lows that come with these decisions, and allow students to self-advocate in a safe environment.

Conflicts

When a student is involved in more than one school activity that occurs outside of school time, conflicts may occur. Students must check event calendars for all of their scheduled AHS activities for conflicts as soon as dates are available. The student must notify all parties (Theatre director, parents, coaches, employers, sponsors) when there is a conflict so that there is time to determine how to handle schedules. As long as students communicate within a workable timeframe, there is always a solution within a compromise that works for everyone involved.
