

## Schools Volunteering with BlazeAid

### PROCESSES & EXPECTATIONS

This document provides an overview of the processes and expectations for schools participating in BlazeAid volunteering programs. It is designed for school leaders, coordinators, supervising teachers, and support staff preparing students for a safe and meaningful volunteering experience.

**PROGRAMS:** Two types of programs are available, each offering different levels of involvement

- Overnight/multi-day volunteering inc. camping (pages 1-4)
- One-Day volunteering (pages 1,5-7)

*Daily schedules may be adjusted due to weather. BlazeAid Coordinators and School Supervisor will jointly decide any changes to the daily program.*

*Please note that specific arrangements may vary slightly between BlazeAid Camps, so schools are encouraged to confirm details with the local Camp Coordinator.*

**BEST SUITED FOR:** School groups (recommended Years 9–12 or as determined by the school)

**INSURANCE:** Our Insurance policy only covers children 12yrs or older.

### SCHOOL RESPONSABILITIES:

- Provide required supervision ratios (1 adult per 5 students)
- Organise transport
- Ensure student supervision at all times
- Coordinate with the BlazeAid Camp Coordinator before arrival.

*Supervisors must remain with student groups at all times (transport, meals, & onsite work)*

**FITNESS:** It is the School's responsibility to ensure students are medically fit to participate in outdoor manual labour tasks.

**OH&S:** All volunteers must follow BlazeAid's on-site safety briefing and OH&S procedures. BlazeAid Team Leaders supervise all work and allocate tasks that are appropriate for student ability & safety.

### BEHAVIOUR EXPECTATIONS:

- Respect farm owners and their sensitive information
- Respect for BlazeAid's equipment
- Stay in assigned work zones, always working with your 'buddy'
- Follow supervisor and team leader instructions

*BlazeAid is a no-alcohol, no-vaping environment for all students and supervisors*

*NB. Under no circumstance will any volunteer will be permitted to use machinery or equipment that requires specific training to operate without full Accreditation & approval by the Camp Team Leader*

## SCHOOL GROUPS CAMPING OVERNIGHT (OR LONGER)

### WHAT TO EXPECT

#### At Camp:

- Camp venue can be very basic but there are always showers, toilets, and dining areas with all meals supplied for the volunteers
- Volunteers of all ages and abilities are all working for the same aim of helping out
- Early starts to each day especially if hot weather predicted
- Muster (tool-box) talk and Safety briefing every morning is compulsory
- Be prepared to pitch in and help out regardless – BlazeAid is a team effort!
- Great friendships are made, many interesting stories & experiences are shared
- Volunteers enjoy interacting with international volunteers who are helping whilst on a Working Holiday Visa in Australia

#### Tasks that BlazeAid volunteers MAY be involved/assist with:

- Admin support at the Camp office
  - Taking phone-calls on the Camp mobile & noting down messages
  - Helping with data processing
  - Filing and sorting information
  - Inserting information into the inventory and data base
  - Assisting with the daily compiling of teams & leaders
  - Assisting the Camp Co-Ordinator when and where possible
- Kitchen support at the Camp
  - Preparing and cooking food
  - Washing dishes
  - Setting up & putting away at the food servery
  - Sorting & storing donated & purchased foods
  - Tidying & cleaning the dining areas
  - Keeping food supplies in fridges and deep freezes in order
- Fencing trailers maintenance - at the end of each and every working day.
  - Ensuring all equipment is clean, refuelled, recharged & ready to go
  - Ensuring saws, axes & chainsaws are sharpened
  - Ensuring all equipment with wooden handles has wood oiled
  - Checking all extension cords for splits, cuts or loose plugs & repair if needed
  - Ensuring all ropes, extension cords are all wound up neatly and stored correctly
  - Check for any damaged extension cords, equipment & report to the Camp co-ordinator
  - Cleaning out the trailers of any rubbish or excess materials
  - Checking the inventory to ensure all items are in the trailer and ready to go
  - Checking all trailers & tow vehicles are locked up securely at the end of every day
- Working on the affected property
  - Clearing the debris from the affected fenceline
  - Rolling up the burnt wiring
  - Helping remove the piles of burnt fencing materials
  - Placing new star droppers along the fenceline
  - Helping erect posts and end assemblies
  - Stringing out wires along the new fenceline & securing to the new posts
  - Tidying up and sorting out fencing materials
  - Helping team members out – many hands make light work

*NB No volunteer will be permitted to use machinery or equipment that requires specific training to operate without full Accreditation & approval by the Camp Team Leader*

## PROCESS OF APPLICATION TO VOLUNTEER:

- 1) Check the BlazeAid Website [www.blazeaid.com.au](http://www.blazeaid.com.au)
  - Get Involved→Current Camps
  - Click on any of the listed camps for further details inc. Camp contact numbers.
- 2) Connect with the Co-Ordinator of the BlazeAid Camp nearest /most convenient to your School.

*Please check with the Camp Co-ordinator to confirm the following details are relevant to that particular Camp.*

### The school will be required to:

- SUPERVISION: Supply a minimum of 1 adult per group of 5 students attending the Camp for the entire time of that group whilst attending the Camp including working on farming areas
- ACCOMMODATION: Supply tents or accommodation (check if Camp has any donated accommodation or swift shelters available that may be supplied) for all students & supervisors
- TRANSPORT: Supply transport to & from farm venues each day for students and supervisors

### Meals

- Meals are provided for volunteers, but please bring your own snacks
- Breakfast and nourishing two-course evening meals are provided by BlazeAid (with support from local community groups) at the basecamp
- If the families you will be working with are able to do so, they *may* offer to provide morning tea and lunch for volunteers each day
- Otherwise, BlazeAid provides food for you to make your own sandwiches to take with you
- If you have special dietary needs, you will need to bring your own food if you are unable to eat the meals provided

### Personal Gear:

- Bedding (Sheet/doona/pillow case/PJs), pillow
- Toiletries (including Towel/face towel)
- Snacks
- Water bottle
- Personal medication
- Sunscreen, insect repellent

### Clothing Requirements

- Long sleeves & long pants
- Sturdy enclosed footwear/thongs for showers
- Broad-brimmed hat
- Optional fly veil

*Please Note: it is not a requirement for BlazeAid volunteers to hold a Working With Children Check.*

### **DAILY PROGRAM (example only):**

- 6am – 6:45am: Breakfast for all volunteers & also prepare own snacks/lunches time
  - Students with allergies or specific dietary requirements to take their own snacks/lunches. BlazeAid will supply drinking water.
- 6:45am: School volunteers & all other volunteers arrive at the Muster talk and Safety briefing
  - *Everyone must be wearing appropriate clothing and shoes etc.*
- 6.45am: The BlazeAid Team Leader will present the Muster talk and Safety briefing at the Camp location to explain the OH&S standards, & outline the proposed work for the day etc.
  - BlazeAid Safety vests, protective glasses & safety gloves will be supplied at Muster talk.
- 7:15am: Students & School supervisors move into allocated teams & will be dispersed to their work zones in transport supplied by the School
  - All Volunteers are to work at the designated farm in allocated teams until 2-3pm depending on weather & circumstances on the day
- 3pm: Students complete the working program & to return to the Camp in School transport

### **Safety/Risk Disclaimer:**

Contact BlazeAid if you would like our Risk Analysis/OH&S Documentation. All activities are voluntary and subject to BlazeAid's on-site safety briefings and OH&S requirements."
