READ THIS FIRST

Each study in this series is the result of years of preparation, prayer, experience, research, and careful scriptural verification. This is not rushed teaching or surface-level content. Every study has been built deliberately, line upon line, to ensure clarity, accuracy, and faithfulness to Scripture.

Because of this, the order of these studies is not optional.

You must complete every study in sequence, book by book, chapter by chapter, beginning with Chapter 1, Study 1, then Study 2, Study 3, and so on before moving forward.

Do not skip. Do not rearrange. Do not jump ahead.

The entire Book 2 must be completed in exact order from beginning to end. It cannot be studied out of sequence under any circumstance.

You must not move to the next study unless you have fully verified what you learned. Do not advance until you are one hundred percent certain that the teaching in the current study is true, biblical, and godly.

No guessing.

No assuming.

No rushing.

Each study must be proven in Scripture and understood without confusion before you continue. This is how God leads a person into truth.

This order is essential. When followed correctly, your understanding will grow the way it was designed to. When ignored, confusion increases, and what should take weeks can take years.

**TRUTH RECEIVED OUT OF SEQUENCE INTENSIFIES
CONVICTION WITHOUT PROVIDING STABILITY.**

These studies are designed for anyone, regardless of background, tradition, or what they currently believe to be true. Whether you have spent years studying or have never opened the Scriptures, it does not matter. What matters is this, are you willing to listen, willing to study, and willing to test everything by the Word of God? If so, the truth will open to you exactly as it was written to be understood.

How would you answer this initial 5 questions?

CONTINUE CAREFULLY

What you have just read is not meant to sit in your mind.

It is meant to be examined.

If what you have learned is true, it will stand when tested by
Scripture.

If it is not, it must be corrected.

So, take a moment and ask yourself:

What do I truly believe right now?
And why do I believe it?

Is it because it is written?
Or because it is what I have always been told?

Truth does not fear examination.

If something in this study has challenged you, do not ignore it and
move on. That tension is not a problem, it is an invitation to
search deeper.

Go back if needed. Open the Scriptures. Confirm every point.

Then continue.

NEXT STEP

The next study will build directly on what you have just examined.

Each step matters.

Continue forward in order.

You were not meant to figure this out alone.
