OUR STORY

My name is Onyx Jones and I'm Kevin Jones, when we first met we were both going through really bad divorces. Our lives were turned upside down, but we were both determined to grow and learn from our experiences. We formed a three-year friendship that grew into a powerful and loving marriage on May 2012.

Onyx Jones, once a homeless single mother, is now an accomplished entrepreneur, Finance Director and administrator. She graduated with a Bachelor's Degree in Entrepreneurship and a Master's Degree in Accounting. Over the past 22 years she has assisted companies and cities of various sizes to be successful.

1st Lt. Kevin S. Jones, US Army, Ret., was also homeless for a period of time and a single father, is now a successful general contractor. Kevin gained a vast amount of experience in the areas of leadership, engineering, construction and was a Certified Army Instructor.

Kevin and Onyx have both conducted workshops, staff trainings, federal and state compliance seminars and written various manuals.

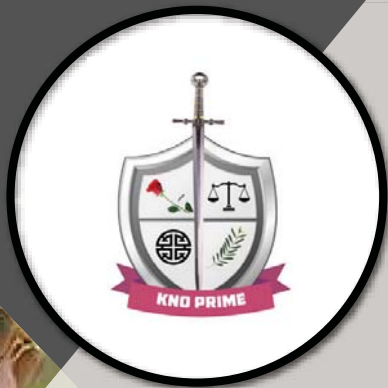

OUR JOURNEY...

We learned to never take our relationship for granted.

We went on a journey...a journey to build the most amazing relationship and family. We went to workshops, conferences, self-improvement seminars, we read books, organized date nights, planned sexy and hot vacations. We were 100% committed to having exactly what we wanted in our relationship. We are so excited to help you experience the fun and love that we have created in our couples retreat that is a result of all that we have been through.

WHAT MAKES OUR RETREAT UNIQUE

- 1 You will experience a really comfortable atmosphere with lounge seating, pillows, etc. You will feel at home.
