# The Harvest of the Golden Land

From the fertile heartland of Myanmar, we bring you a diverse portfolio of premium agricultural products, sourced directly from the hands that nurture them. Our strength lies in our deep connections with local farmers, allowing us to hand-select the finest harvests and ensure absolute freshness and authenticity. Our commitment to excellence has established us as a trusted gateway, connecting Myanmar's agricultural bounty to the world. We are proud to be actively exporting to key markets across Asia and the Indian Ocean, including India, Bangladesh, Malaysia, and Mauritius.

Our expanding global reach is consistently growing as we forge new partnerships in the Middle East (UAE, Saudi Arabia), Southeast Asia (Vietnam, Thailand), and parts of Europe. We understand that every client has unique needs, which is why we provide bespoke packaging solutions tailored to your specific requirements. Above all, we stand by our word; our unwavering dedication to on-time loading and fulfilling our commitments makes us the reliable, long-term partner you need to source the very best from Myanmar.

Choose us as your reliable gateway to the authentic, **ORGANIC**, **SUSTAINABLE**, high-quality tastes of Thailand.

# THAILAND CATALOG

Our collection from Thailand's organic farms celebrates a spectrum of natural flavours, from the delicate to the daring. Experience the subtle elegance of our Fresh Asparagus, whose crisp, slender spears are harvested at dawn to capture a clean, sweet taste. From there, ignite your palate with our sun-dried Bird's Eye Chillies, fiery jewels that concentrate a blazing, smoky heat into every pinch. Finally, indulge in the legendary Durian, the 'King of Fruits', where a thorny husk reveals lobes of golden, custardy flesh, offering a complex balance of decadent sweetness and savoury intrigue.

# BEST COLLECTION

## GREEN MUNG BEAN

Sourced from Thailand's organic farms, our Mung Beans are a versatile, nutrient-rich powerhouse. With a clean, earthy flavour, these protein-packed beans are perfect for sprouting, hearty soups, and traditional Asian desserts, offering a wholesome foundation for any healthy meal.

## SWEET MANGO

Experience the iconic Nam Dok Mai mango, Thailand's golden treasure. Organically grown, this variety is beloved for its exceptionally sweet, honey-like flavour, velvety, fibreless flesh, and fragrant aroma. It's a truly luxurious taste of the tropical sun.

## MANGOSTEEN

Discover the 'Queen of Fruits'. Our organic Thai Mangosteen features a deep purple rind that opens to reveal snow-white, melt-in-your-mouth segments. Its exquisite flavour is a perfect balance of sweet and tart, making it a rare and celebrated tropical delicacy.

## RAMBUTAN

A playful, hairy exterior hides a delicious secret. Our organic Rambutan from Thailand offers a juicy, translucent flesh with a refreshingly sweet flavour and a slight hint of tartness. This exotic, jewel-like fruit is a delightful and hydrating tropical treat.

## ORGANIC LEMONGRASS POWDER

A wholesome alternative to refined sweeteners, our Organic Coconut Sugar is sustainably harvested from the nectar of Thai coconut palm blossoms. With its rich, caramel-like flavour and low glycemic index, it adds a pure, unrefined sweetness to your coffee, baking, and cooking.

## ORGANIC COCONUT SUGAR

Capture the essential taste of Thailand with our Organic Lemongrass Powder. Finely ground from organically grown lemongrass, this convenient powder delivers a bright, citrusy aroma and zesty flavour. It's the perfect way to instantly infuse marinades, soups, and teas with authentic Thai character.

## DEHYDRATED ONION

## Onion, Ginger & Garlic Powder

Experience the heart of Indian cooking with our convenient powder trio. This essential blend captures the pungent, aromatic essence of fresh onion, garlic, and ginger, providing a concentrated burst of flavor to any dish without the prep.

## Turmeric Powder

Sourced from the sun-drenched fields of India, our Turmeric Powder is prized for its vibrant color and high curcumin content. This essential spice adds a warm, earthy flavor and a brilliant golden hue to culinary creations worldwide.

## 1121 Basmati Rice

Discover the perfection of our 1121 Basmati Rice, processed through Sella or Steaming techniques to fortify the grains. This premium variety is famous for its extra-long, slender grains that cook up fluffy and separate, offering a delicate aroma and exquisite taste.

## Cumin Seeds

An indispensable spice in global cuisine, our Indian Cumin Seeds are celebrated for their strong, smoky, and slightly nutty aroma. When toasted, they release a wave of robust flavor, perfect for tempering, spice rubs, and curries.

## Black Pepper

Hailing from the lush spice gardens of India, our Black Pepper is the true "King of Spices." Each peppercorn is packed with a bold, pungent heat and a complex, woody aroma, perfect for adding a sharp, flavorful finish to any dish.

## Red Onions

Our farm-fresh Indian Red Onions are known for their vibrant color, crisp texture, and mildly pungent flavor. Incredibly versatile, they add a delightful crunch to fresh salads and a rich, sweet base to cooked dishes.

## Pomegranates (Bhagwa)

We export the celebrated Bhagwa variety of Indian pomegranates. These fruits are renowned for their large size, deep red skin, and jewel-like arils that burst with a perfectly balanced sweet-tart juice, rich in antioxidants.

## Green Grapes

Sourced from India's prime vineyards, our Green Grapes are crisp, juicy, and refreshingly sweet. Each bunch is carefully cultivated to ensure a premium quality fruit, perfect for snacking, desserts, or adding a touch of elegance to a fruit platter.

## Aseptic Mango Pulp

Made from India's prized Alphonso and Kesar mangoes, our Aseptic Mango Pulp delivers an intensely sweet, aromatic flavor and vibrant golden color. Aseptically packed to preserve its natural freshness and velvety-smooth texture, it's the perfect pure ingredient for premium beverages, yogurts, and desserts.

## Aseptic Guava Pulp

Discover the exotic, fragrant taste of Indian guava in our Aseptic Guava Pulp. Its distinctive sweet-musky flavor and smooth, creamy texture are perfectly preserved through aseptic packaging, providing an authentic, high-quality base for unique juices, nectars, and desserts.

## Chickpeas

A protein-rich staple from the heart of India, our Chickpeas are prized for their nutty flavor and satisfyingly creamy texture. Versatile and nutritious, they are perfect for classic curries, salads, hummus, and a variety of global dishes.

## Tea Leaves

Discover the legacy of Indian tea, sourced from iconic estates in Assam and Darjeeling. Our curated selection of tea leaves delivers a rich, full-bodied flavor and an invigorating aroma, promising an authentic and premium tea-drinking experience.

## Coffee Beans

Grown in the misty, shade-covered plantations of Southern India, our Coffee Beans (Arabica & Robusta) are a true delight. They are known for their smooth, full-bodied profile with low acidity and subtle notes of spice, offering a uniquely rich and mellow brew.

## Millet-Based Products

Embrace healthy living with our range of Millet Based Products. Sourced from ancient Indian super-grains, these nutritious, gluten-free options offer a wholesome and sustainable choice for a modern, health-conscious lifestyle.
