

**The goal of this seek-and-find is to determine which witch has a cloak that's unique from all of the others.** Most of the witches have at least one **coordinating costume** in the crowd, except for one sneaky sorceress!

Now that you know the premise of the puzzle, you'll want to put your thinking hat (or witch's hat) on and buckle down. If you want to up the stakes, wind up your timer and set it off before you start your search.

## DUDOLF

This brainteaser differs from Dudolf's other aesthetically-pleasing puzzles because you'll need to locate the object and then compare it with the others, making it a bit more time-consuming.

And while there's no magic spell that can give you the answer, you can always rely on a hint!

Here's one: the witch you're looking for is wearing stripes of some sort. That should help clear things up.  
Has anyone spotted it yet?  
Here's another clue: the witch in question is smiling with her teeth.
