ETNP News: Message from the Publisher

Hello ETNP Readers:

We hope everyone had a peaceful and enjoyable Thanksgiving holiday with family and friends. While we are all busy decorating our homes for the holidays, I wanted to take the opportunity to list some upcoming events that you may find of benefit to you.

- On Tuesday, Dec. 2, there will be a public open house to discuss the Master Love Field Master Plan. This is the final public open house where we will be able to learn what exactly will be happening with the airport expansion. These changes will impact Elm Thicket/Northpark so come learn about the construction that will be taking place for the next several years. The meeting is Dec. 2 from 5 pm to 7 pm at the Frontiers of Flight Museum located at 6911 Lemmon Avenue.
- The Catholic Charities of Dallas will have their monthly food distribution on Friday, Dec. 5, 2025, from 9 am to noon at the K. B. Polk Recreation Center parking lot. This will be a drive-thru distribution. Please let your family and neighbors know so they can be blessed.
- Photos with Santa will take place at the Bachman Lake Park Pavilion, 3500 Northwest Highway from 11 am to 1 pm on Saturday, Dec. 6. This is being sponsored by our D6 Councilwoman Laura Cadena, D6 Park Board Member Adam Medrano and the Friends of Bachman Lake. Make sure to bring your camera to capture photos of your children visiting with Santa.
- A neighborhood crime watch meeting is scheduled to take place on Tuesday, Dec. 16, at 6:30 pm at the K. B. Polk Recreation Center. There have been a number of recent residential burglaries so hopefully we will get information from our neighborhood police officers concerning those crimes.

I'm sure there will be other Christmas activities in our neighborhood so please follow us on Facebook at ETNP News. As we learn of them we will post the information so we can all enjoy some holiday fun.

As we bring another year to a close, please know that we remain dedicated to providing our neighbors with news and information concerning Ellum Thicket. The more information we all have concerning meetings, events and how to contact the city regarding issues that arise the better and stronger our neighborhood will be. We all have a voice and no one person or group can speak for all of us. You simply need to have the information to ask the right questions to make the best decision. That is our goal.

With that please know that we wish a very happy Christmas and a wonderful New Year.

Your neighbor,
Mimi Perez
