Built for Ongoing Health

Prevent, manage, and coordinate care

- Chronic condition management and care plan support.
- Health risk assessment covering lifestyle, physical, and behavioral health.
- Specialist coordination and post-visit lab review.

Who It Helps

Members often use Complete Care for preventative care, chronic conditions, and behavioral health support - with urgent care available anytime.

Example conditions

- Prediabetes / Diabetes
- Hypertension
- High cholesterol
- Obesity management
- GI tract issues
- Respiratory illness
- Depression
- Anxiety

What's Included

- Dedicated Physician-led care team.
- Primary care services: annual wellness exam, follow-up visits, care plan development, chronic condition management, and specialist coordination.
- At-home labs delivered to your doorstep (prepaid return).
- Virtual urgent care access included 24/7.

Behavioral Health (Ages 14+)

Includes counseling and psychiatry support. 3 annual behavioral health visits are included at \$0; additional visits may have consult fees.

Example consult fees (may apply after included visits): psychiatrist \$250 initial, \$135 after; therapist \$85/visit.

Labs, Genomics & Dependents

- One included screening lab: lipid panel and A1C test.
- DNAware genomics panel to help identify hereditary risks and medication response (PGx).
- Adult dependents have full access; minor dependents have urgent care access.

Urgent Care - Always On

24/7/365 urgent care is included. On-demand pediatric urgent care is available for minor dependents for minor issues.

Included Prescription Benefit*

Zero-cost generics at 70,000+ pharmacies

- Prescription Benefit card and covered medication list in the Recuro Care app.
- Accepted at over 70,000 pharmacy locations nationwide.
- Includes many urgent-care generics plus ~95% of the top 200 maintenance medications.

*Prescription benefit subject to medication list and pharmacy participation.
