Program Details & How It Works

How the Program Works

1. Search for your medications by entering the drug name
2. For immediate needs, utilize retail pickup at 70,000+ network pharmacies
3. For savings, use mail-order if you can wait up to 10 days
4. Mail-order is fulfilled through partner pharmacies

Important Information

- **Not Insurance:** This is a Pharmacy Subscription Program
- **Direct Access:** Members get direct access to medications at negotiated PBM pricing
- **Specialty Solutions:** Solutions available for high-priced specialty medications via International Pharmacy or PAP services
- **Discount Options:** Search discount options and receive directed pricing
- Cannot be used in conjunction with insurance

Program Highlights

1. Over 1100 acute and chronic drugs at no cost
2. Pick up at retail pharmacy of choice (70,000+ in network)
3. Only certain doses/quantities offered
4. CHRONIC meds filled via mail-order after first retail purchase
5. Men's Health: Limited annual supplies available
6. Valid prescription required for all medications

Men's Health Program

- Generic Viagra® available exclusively via mail-order
- Limit: 72 generic Viagra 50/100mg pills per year
- Generic Cialis® available exclusively via mail-order
- Limit: 48 generic Cialis 5/20mg pills per year
- Valid prescription required

Important Notice

This is NOT Insurance: The Rx Discount Card is a discount-only program available exclusively through participating pharmacies.

Discount Variations: The range of discounts will vary depending on the prescription type and pharmacy chosen.

Payment Terms: This program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases.

Restrictions: Cannot be used in conjunction with insurance.

Customer Support: Contact Customer Care anytime with questions, to cancel registration, or to obtain further information.

Formulary and pricing are subject to change.
