

# 4TH ANNUAL GLOBAL SHIELD NETWORK CONFERENCE

BLOOMINGTON, MN SEPT. 28 - 29

Greetings,

The Hennepin County Sheriff's Office SHIELD Program will host the 4<sup>th</sup> Annual Global SHIELD Network Conference at the Mall of America September 28 – 29, 2022. The benefit provided by the conference is the gathering of all stakeholders in one location for the common goal of strengthening public-private partnerships resulting in safer and more secure communities throughout the world.

The Hennepin County Sheriff's Office SHIELD Program consists of 1958 members from 449 unique organizations. This includes registrants from law enforcement, fire, EMS, jail detention staff, emergency management, critical infrastructure, and security staff from large venues, colleges/universities, fortune 500 companies, Mall of America, military, and all 4 major professional sports franchises and their facilities in Minnesota. Currently, the Global SHIELD Network includes 39 total member agencies.

The venue has the potential for 250 attendees. If that potential is realized, there will be a great need for support to provide a quality experience for everyone. There will be a welcome reception for select invitees the evening before the conference. The welcome reception will allow SHIELD facilitators, private sector, and law enforcement executives, and other select stakeholders to network, share, and exchange information and ideas.

The conference is fully supported by gracious private sector sponsors who understand the value the SHIELD programs provide, and who fully support a conference meant to enhance the preparedness and readiness of all stakeholders. The success of this conference relies on support from our private sector partners, non-profit foundations, non-governmental organizations, and others who realize the critical need for public-private partnerships that allow for the prevention and mitigation of terrorist attacks and major acts of criminal misconduct. There are several levels of sponsorship; however, any support is greatly appreciated. Additional packages beyond those listed are available. The sponsor levels are as follows:
